Dynamic product owner with 6+ years of experience working in an agile, fast-paced environment. Looking to leverage proven backlog management abilities to support ABC Corp's development team. Helped bring in over $10 million in VC funding for past employers and met 92% of all product-feature deadlines over a three-year period.

## WORK EXPERIENCE

**Product Owner** Sep 2019 - Dec 2022

Z&X Associates, Fargo, ND

- Achieved 92% of product- feature deadlines over a three- year period.
- Built user stories cited as instrumental in bringing in $10M in VC funding.
- Created product goals with the development team to extend delivery time by one week while meeting 100% of goals in the lead- up.
- Reprioritized backlog to arrive at MVP two weeks sooner than originally projected.

**Agile Product Owner** Apr 2015 - Aug 2018

Neptune Inc.,, Fargo, ND

- Optimized the feature roadmap for user engagement to increase buzz by 40%.
- Incorporated business manager requirements into user stories to increase satisfaction by 15% while meeting management's expectations.
- Reordered the backlog and redefined MVP with the client to save $250,000 while meeting the MVP deadline.
- Established five sets of criteria for progress evaluation to increase transparency and efficiency.

## EDUCATION AND QUALIFICATIONS

**Bachelor of Science in Computer Science** Sep 2011 - May 2015

University of North Dakota, Fargo, ND

**Professional Scrum with Kanban** 2015

**Professional Scrum Product Owner** 2014
