## Resume Objective

Enthusiastic, keen, newly licensed esthetician who has recently completed an internship. Experienced in skin analysis, skin-care regimens, facial massages, facials, skin rejuvenation, makeup application, waxing techniques, and head, hand, and foot massages. Eager to expand my experience in body hair removal and other beauty treatments. Reasonable knowledge of skincare products from selling retail products and doing monthly inventory counts. Looking forward to providing excellent service and a wide range of treatments to clients under the supervision of a medical esthetician in a busy spa or salon.
