- Building international cooperations

Our goals

- Provide professionals working in volleyball opportunities for development.
- Development of knowledge and skills needed.
- Inspire the education to develop the community and its opportunities.
- Working together with both leading professionals and academic experts.
- Support athletes and maximise their potential. **Because better people make better athletes.**

Programme curriculum

The full programme is worth 20 ECTS credits*, which can be used toward further academic qualifications.

*ECTS: European Credit Transfer and Accumulation System – this is a standard system for comparing academic credits, which serves to structure higher education studies and makes the weighting of its components transparent. It helps to ensure and continuously optimise the quality of higher education.

5 Core Modules:

- Strategic Management & Digital Transformation
- Governance & Sustainability
- Marketing & Sponsorship
- Finance & Economics
- Media Relations & Event Management
