A Fairytale Castle Wedding

For centuries, couples—both noble and common—have celebrated their love at Dragsholm Castle. Will you become part of that history with a grand castle wedding on the island of Zealand?

With its own chapel, knight's hall, and bridal suite, Dragsholm is a sought-after venue for castle weddings. Perhaps it's the enchanting sense of history that captures the hearts of couples and guests alike—from the arrival down the long avenue, to the ceremony in the romantic castle chapel, in the park, or one of the many elegant salons, and later the wedding dinner in the castle's richly decorated halls.

It might also be the way our staff take pride in creating the perfect setting for a castle wedding, offering assistance with everything from bridal bouquets, photography, floral arrangements, music, fireworks, and limousine service—every little detail that makes a castle wedding truly unforgettable for both the couple and their guests.

After the celebration, the newlyweds can retreat to the romantic bridal suite, with views over the Herb Garden and the surrounding landscape—carrying with them memories that, we hope, will last a lifetime.
