FESTIVE CATERING, DELIVERED

We offer bespoke, beautifully versatile festive catering; made entirely for you. From circulated canapés, grazing stations, seated dining to fully serviced pop-up bars – we bring the Sticks'n'Sushi experience wherever you need it this season. Our Sushi is hand rolled, our fish is hand sliced and our sticks are crafted with care; from ingredients to presentation, flavour to flow that will transform your special moments to lasting memories.

Born in Copenhagen and rooted in 30 years of culinary heritage, expect presentation that draws attention. Since 2012, we've been serving freshly rolled sushi across London in our restaurants and now to some of London's most recognisable offices, venues and event spaces.

At Sticks'n'Sushi, we're for everyone. Fish lovers, meat eaters, plant-based diners and those with allergies or aversions, our menus flex to suit every guest. Because good hospitality starts with knowing how to make people feel considered. And that's what we do best.
