OVERVIEW

Hagley Park is, without question, one of the most tranquil and beautiful places in central Ōtautahi.

Situated in the midst of this is the venerated Hagley Oval – a world class sporting venue, which dates back to 1867 and is widely considered to be the cornerstone of Canterbury and New Zealand cricket.

Overlooking the Oval is Hadlee Pavilion – the perfect location for events. During the day the Pavilion's main lounge is flooded with natural light, while at night it literally shines. With excellent facilities and a mix of spaces to choose from, Hadlee Pavilion is sure to delight both cricket-fans and newcomers alike.

An oasis in the city, Hadlee Pavilion combines a picturesque park-setting with all the impact and appeal of a world-class sporting venue. Nestled amid the trees in Hagley Park, the Pavilion overlooks Canterbury's premiere cricket ground, the Hagley Oval – ensuring an incredible backdrop for events with up to 280 guests.
