

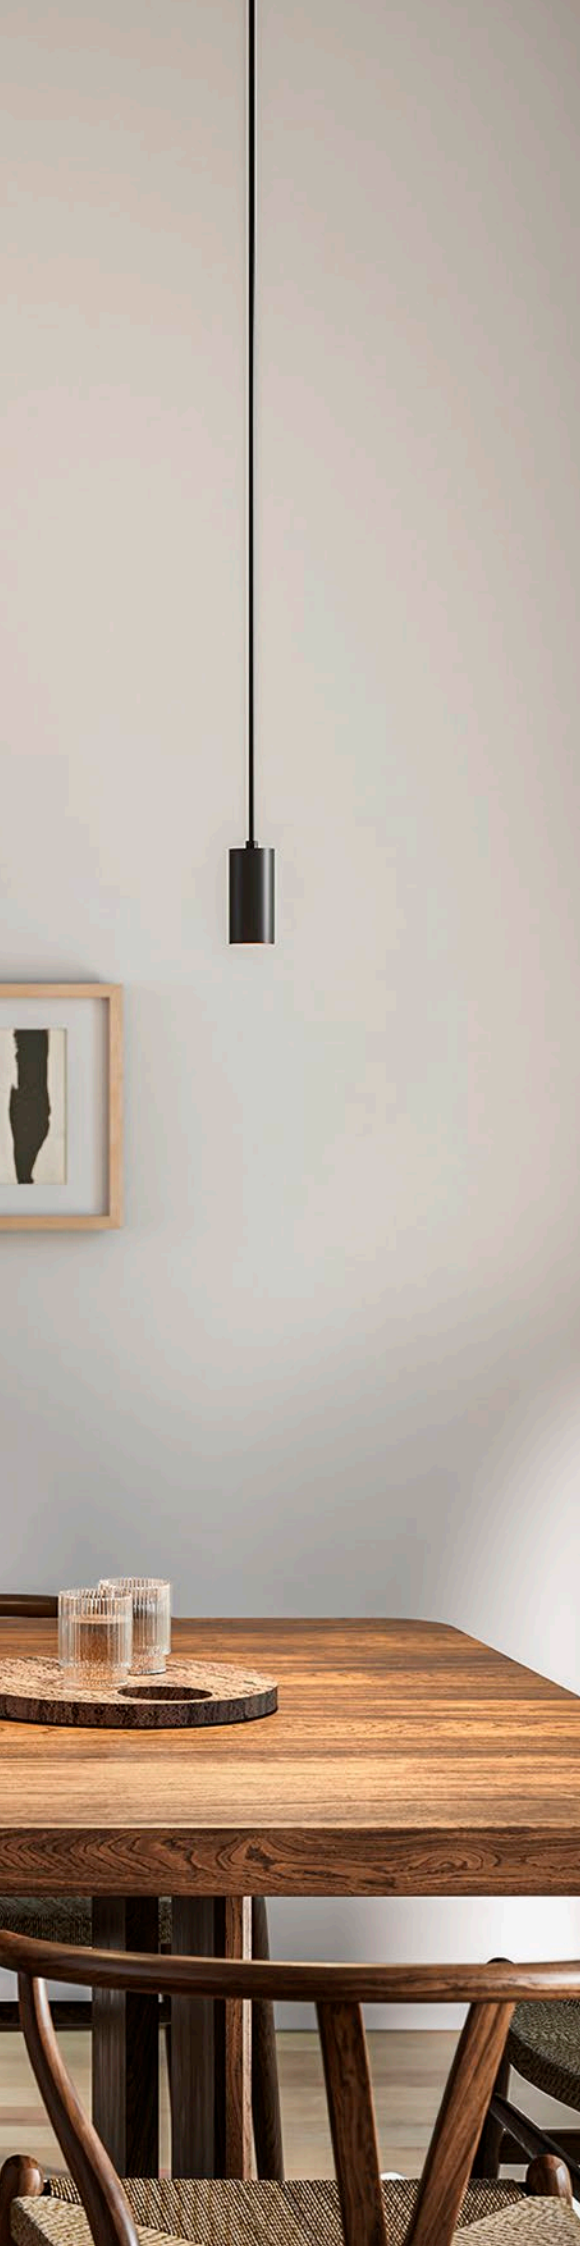
ENOLA® 2.0

At home. Everywhere.

SLV
EXPERIENCE LIGHT



ENOLA® 2.0

At home. Everywhere.

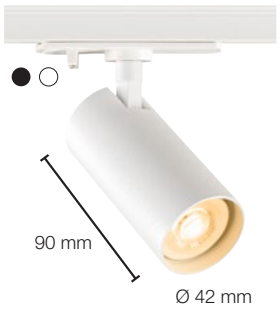
From living rooms and dining areas to bedrooms, hallways and hospitality spaces, ENOLA® 2.0 feels at home wherever flexible lighting is needed.

With its refined design and wide range of variants, the family adapts effortlessly to different spaces and applications – without unnecessary complexity.

THE NEW ENOLA® 2.0 AT A GLANCE

TWO SIZES. FLEXIBLE APPLICATIONS. EASY HANDLING.

ENOLA® 2.0 combines a refined design language with broad application coverage and practical everyday usability.



Easy to install

SOCKET INSIDE

FLEXIBLE LIGHTING

Replaceable GU10 light sources give you the flexibility to choose the light source that best fits your application.

Choose the right light source for the desired beam angle, light colour or smart functionality. For recommended light sources, see page 13.

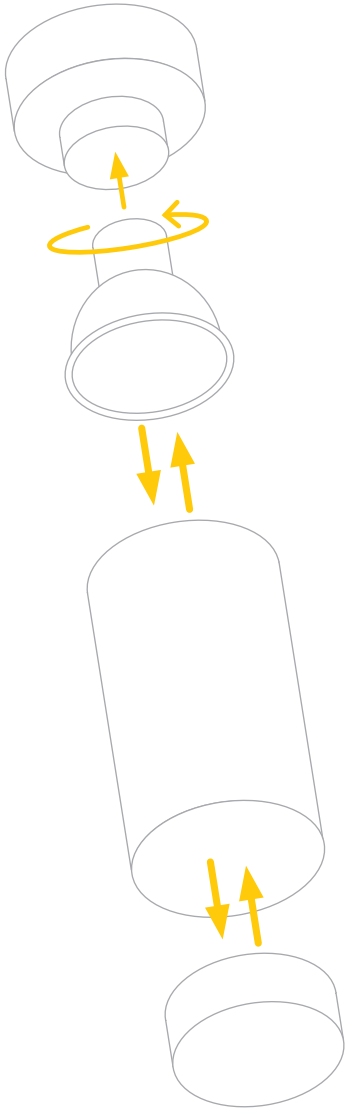
REMOVABLE HOUSING DESIGN

FOR FAST INSTALLATION AND EASY LAMP REPLACEMENT.

The removable housing design makes installation easier to handle on site and provides straightforward access to the light source whenever replacement is needed. Combined with interchangeable inner rings, it also adds flexibility to the appearance of the luminaire.

Decorative inner rings in black, white, gold and copper.



EASY TO INSTALL

The housing can be separated from the mounting base, making installation more convenient and efficient.

EASY TO ADAPT

Optional inner rings allow ENOLA® to blend into different interior concepts.

EASY TO MAINTAIN

The removable design allows quick and straightforward lamp replacement throughout the product lifecycle.

Decorative ring S/M for personalised designs.
