	Costs
Activation fee (incl. SIM card)	CHF 55
	Mobile Internet in Switzerland
Data volume	Unlimited
5G high-speed data	Unlimited
Maximum speed	5G network (high speed) 2 Gbit/s (download) and 300 Mbit/s (upload)
Note	<p>Transmission speeds represent the best possible performance and cannot be guaranteed. Actual Internet speed depends on factors such as topography, network coverage, distance to the transmission tower, signal strength inside/outside buildings or other factors and may be slower than the specified maximum Internet speed.</p> <p>Excessive usage of mobile network services can impair network performance, which has a direct effect on the user experience of other mobile network customers. In order to prevent this situation, Sunrise reserves the right to temporarily deprioritize data traffic of customers who reach a certain threshold. This generally only becomes noticeable when carrying out more data-intensive activities and only on antenna cells that are temporarily overloaded. Please visit our <a href="#">website</a> for more information.</p>

Contract duration	
Activation	The subscription is activated on the day of registration or on the requested date if the number is being ported.

Contract duration	
Subscriptions without a minimum duration, cancellation	A subscription without a minimum duration may be canceled with a notice period of 60 days to the end of any month.
Subscriptions with minimum duration, cancellation	Certain offers may be linked to a minimum contract period. The terms of the offer apply. In this case, the mobile phone contract can be canceled with a notice period of 60 days to the end of the minimum contract period. Once the minimum contract period has expired, the contract may be canceled with a notice period of 60 days to the end of any month.
Early cancellation, costs	<p>If the subscription is canceled before the end of the minimum contract period, the customer must pay the recurring monthly basic fees in full up to the end of the minimum contract period.</p> <p>Monthly recurring basic fees are determined based on the usual basic fee of the respective subscription plus any promotion surcharges, unless otherwise specified for the offer concerned.</p> <p>For contracts with no minimum contract period or for those where the minimum contract period has expired, the customer may only cancel their contract without observing the regular notice period if they pay the basic monthly fees up to the regular cancellation date plus an additional CHF 100.</p>
How to cancel	<p>The subscription must be canceled either by phone or via the Sunrise Chat. More details are available at <a href="https://sunrise.ch/cancellation">sunrise.ch/cancellation</a>. Cancellations via letter or e-mail are not valid. Written cancellations will still be accepted for cancellations with phone number porting, as long as this cancellation is submitted electronically by the provider on behalf of the customer over the course of the porting process.</p> <p>Cancellation by phone</p> <ul style="list-style-type: none"> <li>- From Switzerland: 0800 100 600 (free)</li> <li>- From abroad: +41 58 777 01 01</li> </ul> <p>Cancellation via Sunrise Chat</p> <ul style="list-style-type: none"> <li>- The link to the chat is available at <a href="https://sunrise.ch/cancellation">sunrise.ch/cancellation</a></li> </ul>
Switching subscription	<p>For all subscriptions, it is possible to switch to a subscription with a higher basic monthly fee at any time and free of charge.</p> <p>As a general rule, switching to a subscription with a lower basic fee is possible from the following month. During the minimum contract duration, it is only possible to switch to a subscription with a lower basic fee by paying a buy out fee. After the minimum contract duration has ended, such a switch is free of charge.</p> <p>With certain offers, a switch to a subscription with a lower basic fee will not be possible, or will be associated with additional costs. The terms and conditions of the offer apply. If a subscription switch takes place within one month, the services included in the previous and new subscription are billed pro rata.</p>
Billing	The basic fee is billed after activation. The basic fee is automatically billed on a monthly basis until the option is canceled. If a customer purchases or changes a mobile subscription during the course of a billing month, the basic monthly fee and included services (minutes, SMS, MB, etc.) are billed on a pro rata basis.
