	Miscellaneous
Landline phone	An Up Internet Business Plus subscription is required in order to take advantage of Sunrise landline calling services. Please refer to the factsheets for Up Phone (L) for the terms and conditions.
Fiber optics	<p>For information on the fiber optic connection and its availability, see sunrise.ch/fiber</p> <p>The transmission speeds specified represent optimum performance and cannot always be guaranteed. Where available we deliver 10 Gbit/s to your home over XGS-PON fiber connections. The overhead required to ensure transmission quality brings the effective individual download/upload speed to 8.2 Gbit/s. Simultaneous downloading and uploading may also limit the maximum upload speed to 5 Gbit/s due to hardware restrictions on the Sunrise Internet Box Fiber. Actual Internet speeds depend on various factors under the control of the customer or a third party, such as the end device capacity or type of connection at home.</p>
Sunrise mobile broadband	If the network bandwidth over the landline network is insufficient, Sunrise may provide this service to customers over the mobile network instead (Sunrise mobile broadband, fixed wireless access). The hardware required for this is intended for use at a single site and must not be used at a location other than the installation address on the order.
