Permitted use, taxes and license fees	
Permitted use	This product authorizes the display of TV broadcasts in business premises, including retail stores, shop windows, restaurants, hotels, lounges, workrooms, meeting rooms, waiting rooms, guest rooms, patient rooms, schools, fairs, exhibitions, youth meeting rooms and all other places open to the public or employees of a company. For legal reasons, it isn't possible with this product to upgrade to additional channels, subscriptions with streaming providers or the «Recording» and «Replay TV» features.
Taxes and license fees	The use of this product is subject to the following taxes and license fees that must be paid by the customer. • <i>SUISA license for public television broadcasts</i> The customer must register with SUIISA and pay license fees to SUIISA in order to distribute copyrighted content. More information: https://www.suisa.ch/3a • <i>General TV and radio reception fee (if applicable)</i> The customer must register with Serafe and pay the general TV and radio reception fee to Serafe, but only if the customer's annual sales exceed CHF 500,000. More information: https://www.estv.admin.ch/estv/de/home/bundesabgaben/abgabe-radio-tv.html • <i>SUISA license for public viewing (if applicable)</i> This license only applies if the customer is using a TV screen with a size of more than three meters and only for scheduled broadcasts (e.g., sports events). The customer must register with SUIISA and pay a license fee to SUIISA. More information: https://www.suisa.ch/en/Kunden/Weitere-Tarife/Public-Viewing.html

Contract duration	
Minimum duration	Same as the main bundle (SME SECURECONNECT M, L or XL), when the option is sold together with the main bundle.

Cancellation Notice	Unless otherwise agreed in a contract, contracts for telecommunications services without a minimum term may be terminated at the end of any month, subject to a notice period of three (3) months. In the case of contracts with a minimum term, a contract for telecommunications services may be terminated no earlier than at the end of the minimum term, subject to a notice period of three (3) months. Unless terminated, the contract shall be automatically renewed for an additional year in each case. The renewed contract may then be terminated at the end of any contractual year, subject to a notice period of three (3) months.
Form of Notice	Mobile, internet, landline and TV subscriptions must be cancelled either by telephone (0800 144 244, free of charge within Switzerland) or by Sunrise Chat. Written notices of termination shall not be valid unless the contract with the Customer permits this form of termination. Written cancellations are still accepted in the case of cancellations with phone number porting, provided such written cancellation is submitted by the new provider in electronic form on behalf of the Customer within the context of the porting process.
Early cancellation	If a minimum term has been agreed, termination is possible at the earliest at the end of this term. Termination before the end of the minimum term or outside the ordinary notice periods by the Customer shall only be possible subject to costs.
Subscription migration	Switching from an older TV product to a new TV product will reset the minimum contract period.
Billing	The basic fee is billed after activation. The basic fee is automatically billed on a monthly basis until the option is canceled. For a cancellation that takes effect during an ongoing billing month, the basic fee will be charged on a pro-rata basis.
Channel list subject to modifications	The channel list is dynamic and may change during the contract duration due to legal regulations or individual agreements with the broadcast companies for particular channels.
