Licensed in
Florida

Practicing since
2005

Practicing in
Florida

Education

Florida
International
University

Saint Thomas
University
School of Law

“I have a passion for helping people regain and maintain their freedoms. Law is a noble profession. It literally shapes the society within which we all live today. Some of the greatest legal concepts were litigated codified into law, which we still use today. Concepts like: self defense, the right to counsel, and freedom from illegal searches date back hundreds of years. It’s fascinating to be part of that history.”

Get to know Lazaro

01 My clients describe me as

Understanding, compassionate, thoughtful, someone who explains situations thoroughly

02 My mentor is

My parents

03 When I’m not practicing law

I’m playing softball, working on fitness, weight lifting, hiking or traveling.
