2011

Practicing in
Florida

Education

University of
Central Florida,
English

Barry University

Barry Law School

“I love being able to help people during the toughest times of their lives.”

Get to know Vanessa

01 My clients describe me as

Upfront, straight to the point (but kind), empathetic, funny, friendlier and more outgoing than a normal attorney

02 My favorite part of being a lawyer

Making my clients laugh during a really hard time.

03 My mentor is

Ruth Bater Ginsburg (I have two shirts with her face on it!)

04 When I’m not practicing law

I’m traveling, boating or going to the beach. I have season tickets to the Tampa Bay Lightning and love watching sports of all kinds, especially hockey and football. I also do yoga and stay active.
