Education

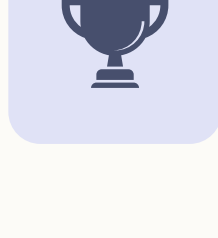

Lewis University in Lockport Illinois, BA in Business Administration and BS in Aviation Management

Northern Illinois University College of Law

Notable accomplishments

Receiver of the Ralph A. Gabric Award for Professional Excellence from The DuPage County Bar Association

“I got into family law when I helped several clients go through divorces and realized that with knowledge, and compassion I could help them go through a very difficult time of their lives with a lot less stress and anxiety.”

Get to know Walter

01 My clients describe me as Fair and reasonable

02 My favorite moment as a lawyer
When a judge ruled against me and said if I didn t like their decision to take the case to the Appellate Court. We did and the Appellate reversed the decision. The case set precedence in Illinois for home state jurisdiction!

03 Something I’m proud of
After graduating from law school I was a member of the Chicago Crime Commission, Police Commissioner of Carol Stream, and the Family Violence Coordinating Council Member for DuPage County.

04 My mentor is Mike Flynn

05 When I’m not practicing law

- I sail, ski and scuba dive
- I enjoy traveling with my wife, our dog, son and his girlfriend
- My wife is a Director of the American Foundation for Suicide Prevention in Chicago and National Chapter so I help her with the Chicago Walk each year
