

## **Michael Lukashenko**

Partner

### **EXPERTISE**

Michael Lukashenko has extensive experience in structuring M&A transactions in various jurisdictions, involving both offshore and onshore vehicles. He supports clients in pre-deal restructuring of a target, advises on legal due diligence and M&A transaction documentation. Michael is particularly focused on acting for private equity houses: he is experienced in offshore structuring and tax planning and provides legal assistance in the course of portfolio investments and disposals thereof.

Michael also focuses on banking and international finance. His fields of expertise are cross-border lending transactions, legal due diligence and debt restructuring procedures, as well as complex financial regulatory matters, including FX control and securities regulations. Michael is also experienced in insurance, asset management and other regulatory matters applicable to non-banking financial institutions.

### **EDUCATION**

National University of Kyiv-Mohyla Academy, Kyiv, Bachelor of Laws (2010).

Central European University, Budapest, Master of Laws (2011).

### **RECOGNITION**

The Legal 500 recommends Michael Lukashenko in Commercial, Corporate and M&A as the "Next generation partner".

Best Lawyers lists Michael Lukashenko among the leading Ukrainian experts in Corporate Law, Banking & Finance.
