

Target Market Determination for Centric Super Fund (Centric Super) Accumulation Portfolio

Important Information

A Target Market Determination (TMD) is required under section 994B of the *Corporations Act 2001* (Cth) (the Act). It sets out the target market for the product, triggers to review the target market and certain other information. It forms part of Equity Trustees Superannuation Limited's design and distribution framework for the product.

This TMD applies to the accumulation Product of the Centric Super Fund. It seeks to provide consumers, distributors and their staff with an understanding of the class of consumers for which this product has been designed, having regard to the objectives, financial situation and needs of the target market.

This document is **not** a Product Disclosure Statement (PDS) and is **not** a summary of the product features or terms of the product. This document does not take into account any person's individual objectives, financial situation or needs and is not intended to provide financial advice. Persons interested in acquiring this product should carefully read the PDS and any supplementary documents for Centric Super before making any investment decisions in relation to this product.

Other elements of TMD

Appropriateness requirements

This section is required under RG 274.64-66.

Explanation of consistency of key attributes with TMD

The Trustee considers that the product is likely to be consistent with the likely objectives, financial situation and needs of consumers within the target market because:

- there is a range of investment options to cater for a broad range of risk profiles and asset class preferences;
- the product accepts the full range of contributions permitted under the law; and
- the fees and costs associated with the product are consistent with market rates.

Distribution Conditions/Restrictions

This part is required under section 994B(5)(c) of the Act, RG 274.64–66 and RG 274.100.

A Centric Super Accumulation Portfolio is only available where a person is eligible to receive contributions to or consolidate their Australian superannuation benefits. In addition, the conditions in the table below apply.

Distribution channel	Permitted channel?	Distribution conditions/Restrictions
Direct retail customer	Yes	Only available where a client initially accessed Centric Super through financial adviser with existing clients in the Fund, or through a Successor Fund Transfer (SFT).
Through a provider to implement personal advice provided to the customer	Yes	Only available through approved financial advisers permitted to distribute Centric Super.
Through a provider to implement general advice provided to the customer	Yes	Only available through approved financial advisers permitted to distribute Centric Super.
Through authorised representatives by general/intra fund advice	No	N/A
Through a provider to implement Robo advice provided to the customer	No	N/A

Adequacy of Distribution Conditions/Restrictions

The Trustee considers that the distribution conditions/restrictions will make it likely that customers who purchase the product are in the class of customers for which it has been designed. The Trustee considers that the distribution conditions/restrictions are appropriate and will assist distribution in being directed towards the target market for whom the product has been designed.

In making this determination, the Trustee has had particular regard to:

- eligibility conditions under relevant law; and
- a consumer can only become a member through, or having been assessed by, approved financial advisers.

Review Triggers

This part is required under section 994B(5)(d) of the Act.

- 1) Where the issuer of the TMD has determined that any of the following has occurred:
 - a) ASIC reportable significant dealing outside of TMD.
 - b) Significant or unexpectedly high number of complaints (as defined in section 994A(1) of the Act) regarding product design, product availability or any distribution condition where the product issuer considers this reasonably suggests that this TMD is no longer appropriate.
 - c) Material change to key product attributes, terms and/or conditions where the product issuer considers this reasonably suggests that this TMD is no longer appropriate.
 - d) The use of Product Intervention Powers, regulator orders or directions in relation to the distribution of this product where the product issuer considers this reasonably suggests that this TMD is no longer appropriate.
 - e) A significant breach event relating to the design or distribution of this product where the product issuer considers this would reasonably suggest that (i) this product is unsuitable for a particular cohort of customers and (ii) the TMD may no longer be appropriate.
- 2) The Trustee makes a determination for purposes of s52(9) of Superannuation Industry (Supervision) Act 1993 that the financial interests of the customers who hold this product are not being promoted.

Mandatory review periods

This part is required under section 994B(5)(e) and (f) of the Act.

Review periods	Maximum period for review
Periodic Review	Three years from the Effective Date

Distributor Information Reporting Requirements

This part is required under section 994B(5)(g) and (h) of the Act.

Regulated Person(s)	Requirement	Reporting deadline
All distributors	Distributors must record and report all complaints that relate to the product or its distribution. The record should include the substance of complaints in relation to the product covered by this TMD. Where a complaint relating to the product and/or its distribution is received, the distributor must report this complaint information to the issuer at six monthly intervals. This will include written details of the complaints.	Six monthly reporting is due as soon as practicable, but in any case, 10 business days after the end of March and September.
All distributors	Significant dealing outside of target market under s994F(6) of the Act.	As soon as practicable but no later than 10 business days after the distributor becomes aware of the significant dealing.
