

Avenues Global Fast Facts 2022–23

Our Campuses

25,470 miles

Distance between current
brick and mortar campuses

Avenues New York is located in the Chelsea neighborhood of Manhattan, surrounded by art galleries, adjacent to the High Line Park and close to Hudson Yards.

Avenues São Paulo is located in a quiet, tree-lined pocket of the Cidade Jardim neighborhood, adjacent to the Marginal Pinheiros.

Avenues Shenzhen is located in the leafy Tanglang neighborhood of Nanshan District, an urban village nestled against Tanglang Mountain Park to the south.

Avenues Silicon Valley is located in the vibrant midtown neighborhood of San Jose, surrounded by leading tech companies and educational institutions including Apple, Google and Stanford University.

Avenues Online is located anywhere there is an internet connection. So far, students have joined from countries including Ethiopia, Ecuador, Germany, South Korea and the USA—to name just a few.

Avenues Community Engagement

61

Number of community
partners around the world

In **New York**, students provided services and support to community partners including Holy Apostles Soup Kitchen, St. Clements Food Pantry, and Hudson Guild.

In **São Paulo**, the Pracinha Project was a student-led effort to regenerate and maintain a nearby public square.

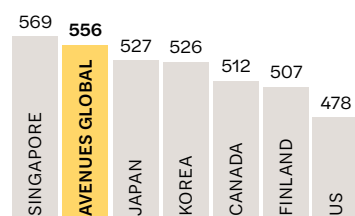

In **Shenzhen**, students visited rural schools in Guangdong and made connections with peers from different backgrounds.

In **Silicon Valley**, as part of the DoCHUMANTary project, students made films telling the stories of underrepresented ethnographic groups in San Jose.

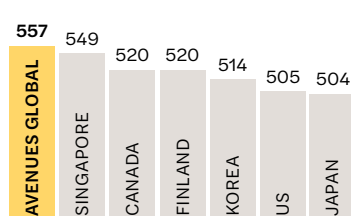

International Schools Assessment (ISA)

Avenues uses the ISA as a tool to assess our students' progress within the international school landscape. Below are Avenues' average ISA scores for 10th grade Math and Reading and 8th grade Scientific Literacy.
