Language Immersion

Small World–Grade 5

Students in the Early Learning Center and the Lower Division spend half of their time learning in English and half of their time learning in the target language of their choice—Spanish or Chinese. Most content areas (literacy, math, social studies, music and art) are taught in both languages.

Grades 6–12

Students in grades 6–12 undertake intensive language study and are placed in leveled language classes according to their proficiency.
