May 31	Last day of Semester 2
June 3–21	June Term
June 19	Juneteenth US holiday, no classes

Personalized Academic Calendars | Tutorial Pathway

The Tutorial Pathway calendar runs year-round. Students may choose to follow the Standard Academic Calendar (above) or create a personalized calendar based on their individual needs and preferences. Students have access to the online platform to complete their coursework 24/7/365. Synchronous learning opportunities (e.g. one-on-one meetings, lab sessions, and community events) and asynchronous teacher feedback and support are provided throughout the year as well, with the exception of the following 15 days:

November

November 22–24

December – January

December 25–January 2

July

July 1–5

Once students begin a semester's coursework, they are expected to complete it within six months. Seniors applying to colleges and universities have additional coursework deadlines to ensure their transcripts can be submitted to their desired schools by the required application deadlines.
