

Battery Act

We hereby confirm that we, SLV GmbH, are manufacturers of batteries in accordance with § 2 Para. 15 S.1 BattG (German Batteries Act). We introduce batteries and rechargeable batteries commercially into products and make these available on the German market, which means that we are manufacturers in the sense of the German Batteries Act. We are listed correspondingly in the BattG-Melderegister (German Batteries Act Register) (21006693).
