

Martin A. Meyer.

Managing Partner

Martin A. Meyer spent over 15 years at one of the “Big Four” companies, most recently as Partner and Head of Tax and Legal Services for Eastern Switzerland and Liechtenstein. He specialises in Swiss and Liechtenstein tax law, advising individuals and corporates. He provides services to an internationally-focused client base that incorporates international banks, insurance companies, asset managers and investment funds, as well as internationally active entrepreneurs, high-net-worth individuals and families, trustees and family offices. He also holds various board of director and foundation board positions for selected family offices.

He is a frequent speaker at universities and technical events, and regularly publishes articles on a wide range of tax-related topics. Martin A. Meyer is the author of the annual collection of Liechtenstein tax law for practitioners.
