

Quick Start Guide - TM-414/TM-424

Get Started in Four Steps

Follow the steps below to set up your TimeMoto system.

1. Start Your Free Trial

Visit timemoto.com/free-trial to activate your 30-day free trial, create your account, and begin setup.

2. Set Up Your Account and Time Clock

Follow the setup wizard to configure your account and add your Time Clock.

3. Connect Your Time Clock

Turn on your device and follow the on-screen instructions to connect it to TimeMoto Cloud.

4. Add Employees and Start Tracking Time

Create employee profiles and assign RFID badges to begin tracking employee time.

Includes a three-year warranty on the time clock. No registration required
