

Time Clock

Reads Face Recognition / MIFARE / DESFire / RFID / PIN

TM-888SC

The complete and convenient solution

to manage your workforce and take back control over time.

With a flexible combination of punching, scheduling, handling timesheets and reports. It's time for clarity.

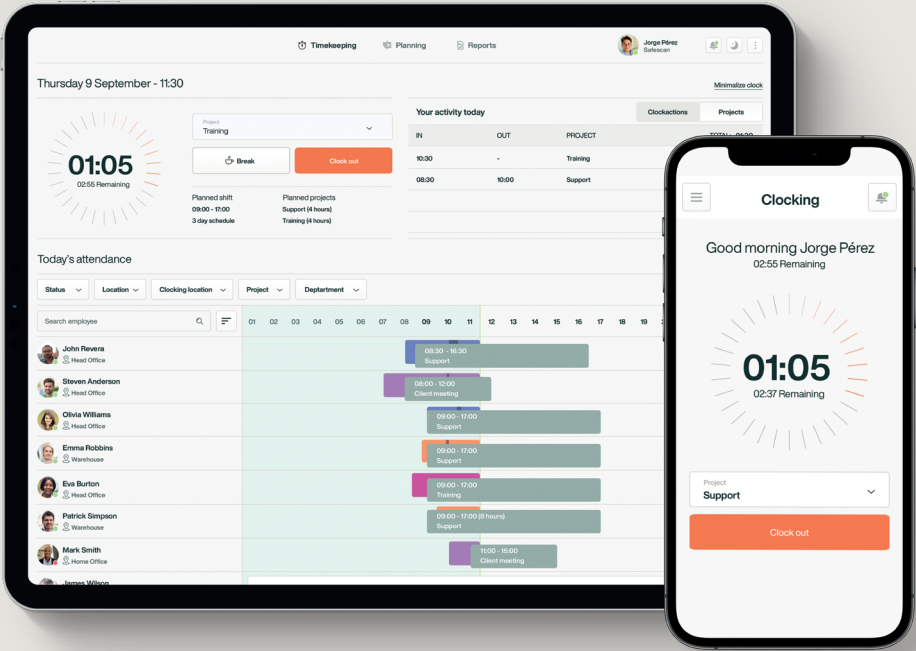

TM-838 SC is perfect for bigger businesses with up to 2,000 employees and can store up to 100,000 time logs. Perfect for when you want to register and manage work time more efficiently. The clockwork seamlessly blends into every working environment. Whether it is with face recognition, MIFARE / DESFire Badges or the standard RFID Badge and PIN code. The intuitive design assures easy punching with extra security and convenience. Empower your employees, with the 5 identification method choices.

Choose our most hygienic and one of our safest models with the face recognition powered Time Clock. Employees personal biometric data is always stored safely, securely, and according to local labor laws. Irretrievable. Unrecoverable. Or opt for the flexibility and security with our MIFARE / DESFire Badge option. MIFARE / DESFire allows for users to manage their time registration, access control, personal identification, and cashless transactions with just one badge. Your facility operations will never be easier.

Punch in. Punch out. That’s all.
