

Time Clock

Reads fingerprints / MIFARE / DESFire / RFID / PIN

TM-828SC

The complete and convenient solution

to manage your workforce and take back control over time.

With a flexible combination of punching, scheduling, handling timesheets and reports. It's time for clarity.

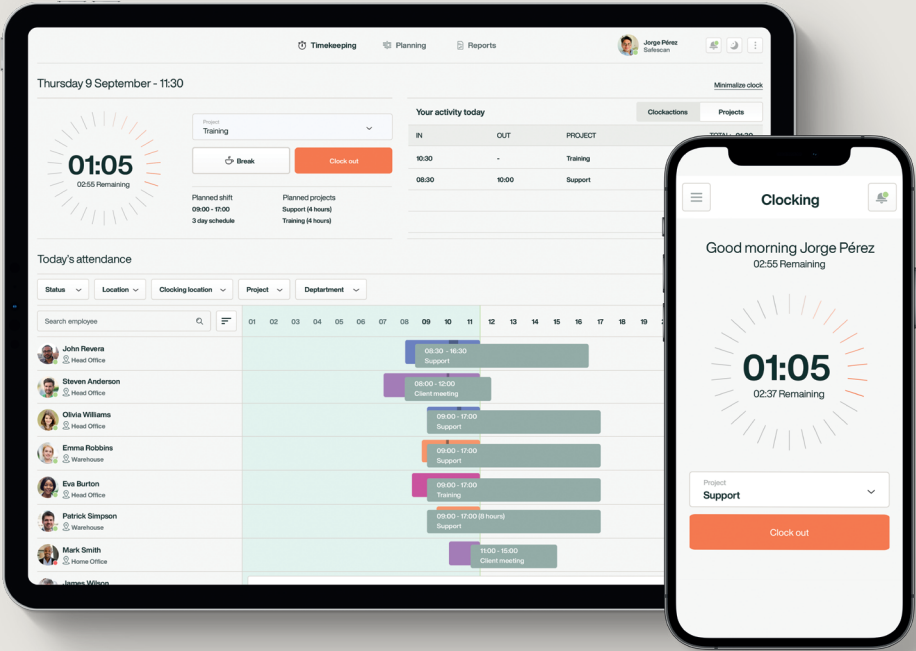

TM-828 SC is perfect for bigger businesses with up to 2,000 employees and can store up to 100,000 time logs. Perfect for when you want to register and manage work time more efficiently. The clockwork seamlessly blends into every working environment. Whether it is with a fingerprint, MIFARE / DESFire Badges or the standard RFID Badge and PIN code. The intuitive design assures easy punching with extra security and convenience. Empower your employees, with the 5 identification method choices.

Go for the fingerprint option, securely encrypted into a unique code kept within the TM-828 clocks hard drive. Irretrievable. Unrecoverable. Can't be lost. Or choose flexibility and security with our MIFARE / DESFire powered Time Clock. MIFARE / DESFire allows for users to manage their time registration, access control, personal identification, and cashless transactions with just one badge. Your facility operations will never be easier.

Punch in. Punch out. That's all.
