Time Clock
Reads MIFARE / DESFire / RFID / PIN

TimeMoto

The complete and convenient solution
to manage your workforce and take back control over time.

With a flexible combination of punching, scheduling, handling timesheets and reports. It's time for clarity.

TM-818 SC is perfect for bigger businesses with up to 2,000 employees and can store up to 100,000 time logs. Perfect for when you want to register and manage work time more efficiently. The clockwork seamlessly blends into every working environment. Whether it is with a MIFARE / DESFire Badge or the standard RFID Badge and PIN code. The intuitive design assures easy punching with extra security and convenience. Empower your employees, with the 4 identification method choices.

Choose flexibility and security with our MIFARE / DESFire powered Time Clocks. A security global standard. MIFARE / DESFire allows for users to manage their time registration, access control, personal identification, and cashless transactions with just one badge. The encrypted technology and additional memory space result in extra security and hacking prevention. Your facility operations will never be easier.

Punch in. Punch out. That's all.
