

# GLOUCESTER CATHEDRAL

## *Networking Breakfast*

Begin 2026 by connecting with fellow professionals in the inspiring surroundings of Gloucester Cathedral.

Gloucester Cathedral is partnering with WSP Solicitors to host our first Networking Breakfast, bringing together professionals from across the region for a relaxed and engaging morning of conversation.

Guests will be welcomed by The Very Reverend Andrew Zihni, The Dean of Gloucester and hear from Antony Feltham King, architect for the Cathedral's Cloister Project, who will provide an update on this important programme of work.
