Option to receive future communications and notifications by electronic mail

SHAPE TH::: FUTURI:::

As discussed in the circular preceding the Extraordinary General Meeting of 9 July 2021 and approved by the adoption of the new Articles at that meeting, the Company will no longer circulate printed copies of annual reports or other lengthy shareholder communications. Instead, such communications will be uploaded onto the Company's website and released by RNS where appropriate. Shareholders may elect to also receive such communications by email (as provided by article 39.1(c) of the Articles).

This decision has been taken for the combined reasons of both (i) reducing costs and (ii) limiting the negative impact on the environment of providing printed materials. In making this decision, the Directors have considered the fact that most such printed materials are sent to shareholders nominees who do not forward these physical documents on to shareholders but instead provide them electronically.

Should you wish to receive future communications directly from the company by email, please register your email address via the Share Portal: www.signalshares.com or contact Link Group at shareholderenquiries@linkgroup.co.uk.

If you have any questions relating to this document or the provision of email details for future communications, please call the Registrar on +44 (0)371 664 0300 Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales. Please note that no advice on the contents of this document nor any financial, legal or tax advice can be given by Link Group and accordingly for such advice you should consult your stockbroker, solicitor, accountant, bank manager or other independent professional adviser.
