The Type-examination certificate refers to the above mentioned product. This is to certify that the product complies with the essential requirements of Annex II of the Personal Protective Equipment Regulations (Regulation (EU) 2016/425 as brought into UK Law and amended). This certificate does not imply assessment of the production of the product and does not permit the use of a TÜV Rheinland mark of conformity. The holder is entitled to use this certificate in connection with the declaration of conformity in accordance with Annex IX of the Personal Protective Equipment Regulations (Regulation (EU) 2016/425 as brought into UK Law and amended).

For category III products this certificate is only valid with one of the conformity assessment procedures referred to in point (c) of Article 19 of Regulation (EU) 2016/425 as brought into UK Law and amended.
