

HIGH SCHOOL SUMMER CAMP RECOMMENDATION

Your former or current student is applying for Gnomon's High School Summer Camp. We require students to submit a recommendation from a teacher as part of their application to ensure they would benefit from this type of education.

Gnomon's High School Summer Camp is designed to empower young artists by engaging their creativity, curiosity, and passion for entertainment design. Students are introduced to various forms of artistic expression in the fields of animation, visual effects, and games. This is a one-week summer camp offered to all high school students between the ages of 14-18.
