

PayEscape's Referral Programme

PayEscape is one of the UK's fastest growing payroll service providers. Our cloud-based technology coupled with world-class customer service is revolutionising how businesses today manage their payroll.

Our solution was designed to make payroll processing easy. We provide real value to businesses by helping them gain efficiency and compliance in their payroll processing. So, referring PayEscape's payroll solution to your customers and business network will not only benefit you but their business too.

Making a referral to PayEscape couldn't be easier.

1 You submit referral details to PayEscape

2 We onboard our new payroll client

3 You receive your referral payment

Providing everything you need to become a successful referral partner.

- Account management support:** Dedicated partner manager to provide support, guidance and manage your account.
- Marketing resource and advertising:** Support to execute joint marketing campaigns, including social media, newsletters, and website directory listing.
- Solution training:** Full solution training provided and access to PayEscape training materials and assets.

Why PayEscape For Payroll

Improve efficiency: Eliminate the manual tasks, multiple spreadsheets and heavy data management involved with in-house payroll processing.

Migration guarantee: Fully managed migration process if you're not happy we won't charge.

HMRC and BACS Approved: Your guarantee of compliance and peace of mind.

Expert support: Your payroll service is supported by our experienced UK team of CIPP professionals, ensuring accuracy and compliance.

Cloud-based software: Control and access your data, anytime, anywhere and on any device.

Flexible contract: Monthly rolling contracts, no long-term commitment required.

Want to become a referral partner? **Contact our partner manager today to find out more:**
