

If you're an international business looking to build a presence in the UK, or about to hire your first UK employee, you've probably realised there are a myriad of legal frameworks and legislations that will apply.

Many of these regulations and legislations are controlling factors for UK Payroll processing, a key function for employing staff in the UK. With Employment Law legislation, Pension regulations and keeping on top of HMRC compliance, it may seem overwhelming.

How can PayEscape help?

Outsourcing your UK payroll with PayEscape gives you complete peace of mind. All of your legal and regulatory requirements will be met, compliance will be achieved, and concerns regarding fines or penalties for non-compliance will be eliminated.

Key features provided by our UK payroll service:

- CIPP certified payroll professionals to manage your payroll Our team of experts manage your payroll in line with current UK legislations and regulations to ensure your compliance now and in the future.
- ✓ UK Client service team On hand support and guidance with your UK payroll enquiries, operating within UK time zones
- Pension Administration Management of Pension administration in line with UK regulations.
- Leading Cloud-based Payroll Software Automated calculations and administration of PAYE, national insurance, statutory sick pay, statutory maternity pay, etc
- HRMC submissions Tax calculations and submissions are made directly to HMRC on your behalf through our payroll platform.
- ✓ Statutory forms and reporting Reporting and completion of tax year–end returns (including forms P14 and P60, forms P11D, P9D)s Service
- ✓ PayEscape Banking Account Payments can be made directly to employee UK bank accounts
- ✓ Employee Self Service ESS portal provided to employees providing payslip access and managing personal information updates.
