

ROTHENBERGER
pipetool technologies at work

**30 YEARS
PRESSING
EVOLUTION**

RP 50S free of charge!

30 years pressing (r)evolution – and we're taking it even further!

Anyone who purchases a ROTHENBERGER pressing machine (ROMAX Compact III, ROMAX NANO or ROMAX 4000) now will receive the RP 50S test pump free of charge.

No small gestures – real added value.

Because progress only happens when we move forward together.

Celebrate three decades of power, precision and pioneering spirit with us.

Revolution begins when opportunities are seized.

**Promotional period from
1 March 2026 to 31 May 2026**

RP 50S free of charge!

Buy a press machine now and get an RP 50S for free!

When you purchase a ROTHENBERGER press machine* during the promotional period from 1 March to 31 May 2026, you will receive a free RP 50S manual test pump – for efficient and stress-free testing of press fittings.

The RP 50S manual test pump can be used to perform pressure tests up to 60 bar on pipe systems and containers. With an operating temperature of 0 to 50°C, it is ideal for a wide range of applications. The weather- and cold-resistant container with a DURAMANT coating guarantees a long service life and 5 years of corrosion protection. The pump achieves a capacity of 0 to 45 ml/stroke and has an ergonomic handle that also serves as a carrying handle, making it easy to transport.

Here's how to get your RP50 in a few simple steps:

1. Register at www.rothenberger.com/gb-en/promotions/30-years-pressing-technology
2. Upload your invoice
3. Receive your RP 50S free of charge
