Buy a press machine now and get two free pressing tools

Purchase a ROTHENBERGER press machine* during the promotional period from 1 August to 30 November 2026, and receive two free pressing tools of your choice from the promotional range—ensuring you're prepared for every pressing application.

ROTHENBERGER's high-quality pressing tools are designed for system-compliant pressing of fittings used in metal and plastic piping systems. Thanks to the application of a special hardening process, the DURA LAZR TEC® technology, combined with partial laser hardening, they enable precise and reliable pressing while offering enhanced durability. The result is reduced wear and 10 % more pressing cycles compared to the previous models. In addition, long-term corrosion protection further contributes to the extended service life of the pressing tools.

Here's how to get your pressing tools in a few simple steps:

1. Register at www.rothenberger.com/gb-en/promotions/30-years-pressing-technology
2. Upload your invoice
3. Select your two pressing tools from the promotional range
