Legal Guides and Precedents

Practical legal guides and precedents |

By Lawyers extensive library of up-to-date legal resources includes everything law firms need to complete matters across the most common areas of law.

We stay up to date so you can focus on your firm

By Lawyers team of legal professionals monitor the law to ensure every publication remains current with legislative updates, procedural changes, and significant judgments.

How By Lawyers works

Matter Plan

Matter plans establish guided systems for conducting matters.

Commentary

Plain-language commentaries explain the relevant law, practice, and procedure helping you handle curveballs.

Precedents

Practice-ready precedent libraries provide everything you need to complete matters efficiently.

A comprehensive library of legally drafted guides and precedents covering common areas of law

Real Estate
