About Cancer Council Queensland

Cancer Council Queensland (CCQ) is the state's leading non-government community organisation in cancer control.

We are committed to improving quality of life for people living with cancer, through research, patient care, prevention and early detection.

This impact statement provides an overview of our work in the Mackay region, which helps to improve cancer control and reduce the impact of cancer on the community.

Supporting people affected by cancer¹

No one should go through cancer alone.

CCQ offers a wide range of cancer support services to assist patients and their families. In 2021, we provided thousands of people in the Mackay region with support.

2216 nights of accommodation provided to people from Mackay.

131 contacts were made with 13 11 20, providing support to those impacted by cancer.

Investing in research

\$7.6M was invested into cancer research projects throughout Queensland in 2021.

One person is diagnosed with cancer every 20 minutes in Queensland. Our research focuses on increasing survival and enhancing quality of life after cancer.

We fund more cancer research than any other independent community-based charity in Queensland.

For information about our statewide research projects, visit cancerqld.org.au/research.
