CREATIVE JOBS FOR CREATIVE TEENS

We offer an environmentally friendly and uniquely innovative space for special events. From meetings for 40 to cocktail receptions for 800, the EpiCenter is a blank canvas that can be transformed to realize your vision. Common events become extraordinary events when produced in an uncommon setting.

Hosting your event at Artists For Humanity directly supports our mission to bridge economic, racial, and social divisions by providing under-resourced urban youth with the keys to self-sufficiency through paid employment in art and design. Your rental fee helps support employment of over 250 under-resourced Boston teens annually. Thanks to your rental, we can provide a safe space for teens to engage in creative employment.
