GALA DINNER SPONSORSHIP

Street Child's annual Gala Dinner, co-hosted with Liberty Global, brings together leading organisations from the financial, legal, consultancy and technology sectors.

We invite you to play a key role as one of our event sponsors, helping us to raise vital funds for Street Child's impactful education and child protection programmes in over 20 countries.

Events like this are crucial in helping us extend our reach to thousands of children each year, thanks to the vital unrestricted funds they generate. These funds give us the flexibility to allocate resources where and when they are needed most, enabling us to respond swiftly and effectively to the most pressing needs.

Your support will help us to achieve our purpose - to see all children safe, in school and learning - especially in low resource environments and emergencies.

Join us and the executive leaders from Liberty Global's network for a truly special night at the Tate Modern in London, knowing you're making a real difference to the lives of children.
