

For Sony E

For Nikon Z

<How to Use the Rear Filter Template>

- Step 1** Print this PDF at 100% scale (Actual Size) .
Note: Please verify with the scale bar in the document before cutting.
- Step 2** Carefully cut your filter sheet along the outer guidelines.
- Step 3** Attach to the rear filter holder per the manual.
- Notes:** Use sheet filters 0.2mm or thinner.
Check your lens mount before cutting.
