SHOWCASING THE H9, HS7 AND H6 MODELS: 'HONGQI' BAHRAIN LAUNCHES FASCINATING TRIO

Zayani Motors, the exclusive distributor of HONGQI luxury cars in the Kingdom of Bahrain, has unveiled three of the brand's latest models. The launch of the fascinating H9, HS7 and H6 marks a significant milestone in HONGQI's commitment to delivering unparalleled luxury and advanced technology to automotive enthusiasts in Bahrain.

The launching ceremony was held on March 19, 2025 during a Ghabga at Gulf Hotel, graced by the presence of the Managing Director Mr. Rashid Z. Alzayani, General Manager Mr. Rizwan Tariq, and other officials. Attendees experienced the fusion of heritage and innovation in the HONGQI H9, HS7 and H6, where opulence pairs with excellent performance

that carves a prominent niche local market.

The HONGQI H9, a second-generation model, builds on its predecessor's legacy with enhanced dimensions and design language, setting new standards in the luxury sedan segment. The H9 features a striking lighting system including the signature "Wings of Hongqi" welcome lighting, adaptive driving beams, and 253 ambient lighting colours, creating a captivating atmosphere both inside and out. Under the hood, there is a new V6 gasoline direct injection engine with a displacement of 3.0 litres, delivering a maximum power of 240 kW (322 HP) and a torque of 445 Nm. The interior features four Nappa leather seats with

extensive electrical adjustments and ventilation functions. The dual rear entertainment screens and premium BOSE audio system with 14 speakers provide an unparalleled in-cab-in experience.

Meanwhile, the HONGQI H6 is a completely new model designed to resonate with a younger, trend-savvy demographic. The H6 is a sophisticated Sportback Sedan powered by a robust 2.0 Turbo engine with direct injection technology, delivering an impressive 185 kW (252 HP) and a maximum torque of 380 Nm. The elegant design is characterised by a prominent grille and a sleek silhouette, drawing inspiration from contemporary aesthetics.

UNPARALLELED ELEGANCE: HONGQI H9, HS7, AND H6 MODELS

Continued from P1

The HS7, another second-generation model, caters to those who seek adventure without compromising convenience. Reflecting the evolution of the brand's automotive design, this 7-seater SUV debuts a more refined exterior, with an active grille that optimises aerodynamics and updated LED lighting elements. Powered by a 2.0L turbocharged engine with mild hybrid technology that increases the response when the driver pushes the accelerator, it yields an impressive maximum power output of 185 kW (252 HP) and a robust torque of 380 Nm. The HS7 offers a perfect

blend of performance and utility, providing improved ergonomics within the cabin and enhanced technology integration. Practical features such as an electric trunk, keyless entry, and an automatic height adjustment of headlights highlight the vehicle's modern design. Commenting on the occasion, Mr. Rashid Z. Alzayani, Managing Director of Zayani Motors, stated, "We are extremely excited to introduce the HONGQI H9, HS7 and H6 models to the line-up offered by HONGQI Bahrain. We believe that each of the three will resonate with discerning customers looking for a unique automotive experience."

CELEBRATING 30 YEARS OF EXCELLENCE ZAYANI MOTORS REVIEWS A YEAR OF UNFORGETTABLE EVENTS IN 2024

Zayani Motors, the exclusive distributor of MG Motor, HONGQI and Mitsubishi in the Kingdom of Bahrain proudly commemorated its 30th anniversary in 2024. This milestone was marked by the hosting of 13 significant events which showcased the latest innovations and offerings from Zayani Motors to customers and motor enthusiasts in Bahrain.

Setting a vibrant tone for the year ahead, the celebration kicked off with the launch of the highly anticipated MG Cyberster which made its Bahraini debut as it journeyed across the region within a unique transcontinental driving tour to commemorate the British-born brand's Centenary. The Turner twins, Ross and Hugo, professional adventurers from Britain with an inspirational story commenced their adventure behind the wheel of the Cyberster from London's Westminster Bridge, UK, landing in Bahrain in January, 2024. They explored local landmarks while engaging with the automotive scene to great reception.

Zayani Motors' momentum continued with the launch of no

fewer than eleven passenger vehicles through the year, starting with the MG Whale, an SUV that redefines luxury and performance, followed by the MG3 and MG7 - a respectively compact and mid-sized sedan united by a striking design and impressive performance. Zayani Motors went on to introduce the MG4, MG5, MG RX9 and MG HS, each with unique features and advanced specifications, displaying versatility across MG's range and bringing innovation to the market.

Moving on to HONGQI, the successful launches of the HS3 and HS5 made for excellent additions to the Chinese luxury car marque's available line-up. As for Mitsubishi, Zayani Motors rolled out the bold L200 pickup truck and the compact XFORCE SUV, the former pandering to both commercial and recreational usage, while the latter meets all the needs of the urban family in excitement, comfort and practicality.

A key highlight of 2024 was the opening of MG's new Service Centre located in the Sitra Industrial Area, aiming to enhance the customer experi-

ence by offering state-of-the-art facilities to ensure the best care for their vehicles. This initiative underscores Zayani Motors' commitment to delivering exceptional service to its customers and addresses the growing demand for this leading brand in the Kingdom. The new service centre covers an impressive area of 4,127

square metres and is outfitted with the latest equipment in the sector, reflecting the company's dedication to quality and efficiency.

"We are immensely proud of what we have accomplished last year," said Rashid Z. Al-zayani, Managing Director of Zayani Motors, commenting on the momentous occasion.

THE ALL-NEW MG ZS: THE ULTIMATE STELLAR AND SAFE DRIVING COMPANION

The MG ZS is a dynamic SUV that boasts striking design and cutting-edge technology. Robust safety features combines with exceptional performance make it the ultimate driving companion for urban explorers and families alike, now available in its 2025 model at Zayani Motors, the exclusive distributor of MG in the Kingdom of Bahrain.

With a starting price of BD 6,499 (including VAT) and a generous 6 years/200,000km manufacturer's warranty, Zayani Motors is dedicated to providing outstanding value to its customers, including a range of competitive financing options.

Sleek and Modern Design

The all-new MG ZS impresses with its bold and sophisticated exterior, showcasing a modern profile that commands attention on the road. Its fluid silhouette, complemented by a broad grille and sleek, connected LED headlights, creates a powerful first impression. Meticulously crafted with sculpted lines, elegant spoilers, and distinctive LED taillights, the MG ZS perfectly blends strength with sophistication.

Inside, the MG ZS offers a contemporary cabin that is as stylish as it is functional. Available in both black and white upholstery options, the interior features a uniquely designed gear shifter inspired by jet wings, enhancing the sense of speed and excitement. The centrepiece of the cabin is a 12.3-inch instrument panel and a sleek 7-inch vertical HD TFT virtual

cluster, providing essential information at a glance. The intuitive user interface allows for seamless interaction with infotainment features, including Bluetooth, Apple Car Play and Android Auto connectivity, ensuring drivers stay connected and entertained on all journeys.

Stellar Safety and Performance

Safety is a top priority in the design of the MG ZS, which is constructed with a robust monocoque body made from high-strength steel that ensures superior rigidity and durability. The vehicle comes with a comprehensive suite of safety features, including six airbags, adaptive cruise control, lane-keeping assist, automatic emergency braking, and a 360-degree camera system. These innovations provide drivers with confidence and peace of mind, ensuring a safe journey for all passengers.

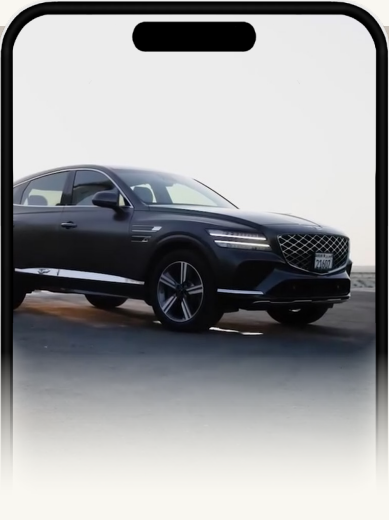

Under the hood, the all-new MG ZS offers an efficient yet powerful engine tailored for both city driving and adven-

turous road trips. The vehicle is engineered for a smooth and responsive driving experience, including advanced NVH (Noise, Vibration, Harshness) optimisation, reducing

vibrations and enhancing cabin comfort. The incorporation of high-quality features designed to endure the local climate enhances performance across various terrains.

FIRST MOTORS CELEBRATES FATHER'S DAY WITH "I'M LIKE MY FATHER" EMOTIONAL VIDEO

First Motors released a video titled "I'm Like My Father" across its social media platforms to celebrate Father's Day.

The video highlights a son mirroring his father in everyday moments, with a heartfelt voiceover expressing his desire to be as admirable as his dad—someone who knows how to make the best choices for his family. This suggests that the son will also choose Genesis, which is his father's choice.
