Get a vintage atmosphere

Create a retro decorative style interior by selecting from a variety of polycarbonate materials blend through unremarkable industrial designs, colors and textures.

Decorative Pendants Industrial Series

Unique new finishes

Intricate new finishes add a decorative vintage touch to a industrial geometric shape

Digital manufacturing techniques create new surface textures resembling corrugated, tufted, or deeply layered finish styles.

Tailored to your preference

Custom designs for demanding project needs

With our flexible digital production system, our fixtures can be modified in a variety of ways. Contact us to discuss your specific needs.

Fast lead times

Custom options delivered fast

We can supply a wide range of customization options without long lead times. Our revolutionary new manufacturing technology allows us to deliver unprecedented speed, flexibility and economy.

Circular economy ready

Fixtures inherently designed for low environmental impact

We optimize the design of our fixtures expressly to reduce our product's environmental impact: Lightweight materials reduce our carbon footprint during production and reduce the fixture's weight to minimize our transportation footprint.

As a delightful modern interpretation of retro industrial lamps, this series embody an elegant and classic look. They can be adjusted with diverse colors and shapes to draw people's attentions to the decoration.

Choose from nine different polycarbonate shades customizable with stylish colors and fine textures that cast multiple light effects and have a unique visually pleasing look. They integrate as a distinctive piece to any interior.

Industrial light modernity with unique features

All transparent designs have an inside hood totally customizable with different colors evoking a stylish look. They are an ideal decorative element for applications such as cafe bars, lounge areas and offices.
