MYCREATION

First

Custom tailored with a range of creative shape and finish choices

Get creative with our product system

Create hot new decorative styles for your projects by selecting from a variety of polycarbonate materials, visually rich surface textures and wild geometric shapes.

Decorative Pendants First Series

Gorgeous new finishes

Intricate new finishes add a decorative flourish to a classic geometric shape
Digital manufacturing techniques create new surface textures resembling machine-turned, woven, or deeply etched finish styles

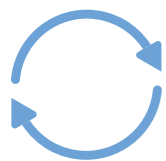

Tailored to your preference

Custom designs for demanding project needs
With our flexible digital production system, our fixtures can be modified in a variety of ways. Contact us to discuss your specific needs.

Fast lead times

Custom options delivered fast
We can supply a wide range of customization options without long lead times. Our revolutionary new manufacturing technology allows us to deliver unprecedented speed, flexibility and economy.

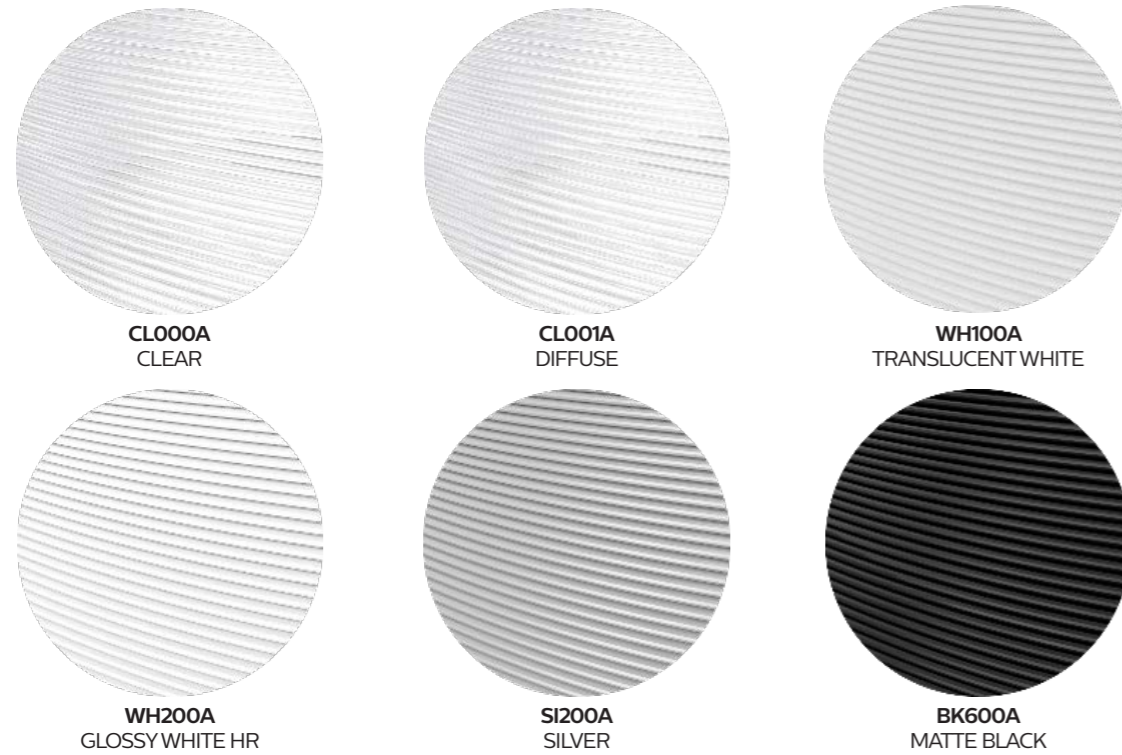

Circular economy ready

Fixtures inherently designed for low environmental impact
We optimize the design of our fixtures expressly to reduce our product's environmental impact: Lightweight materials reduce our carbon footprint during production and reduce the fixture's weight to minimize our transportation footprint.

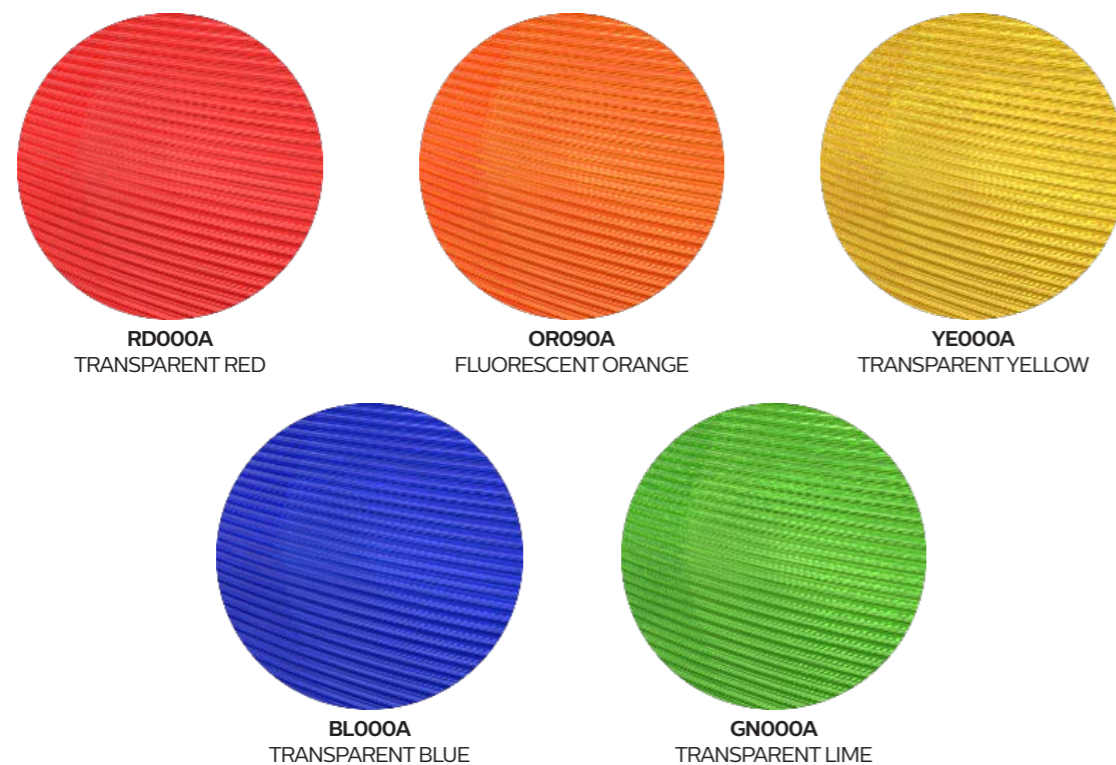

Gorgeous materials

Select from a range of clear, translucent and opaque materials, all in durable polycarbonate

Standard series

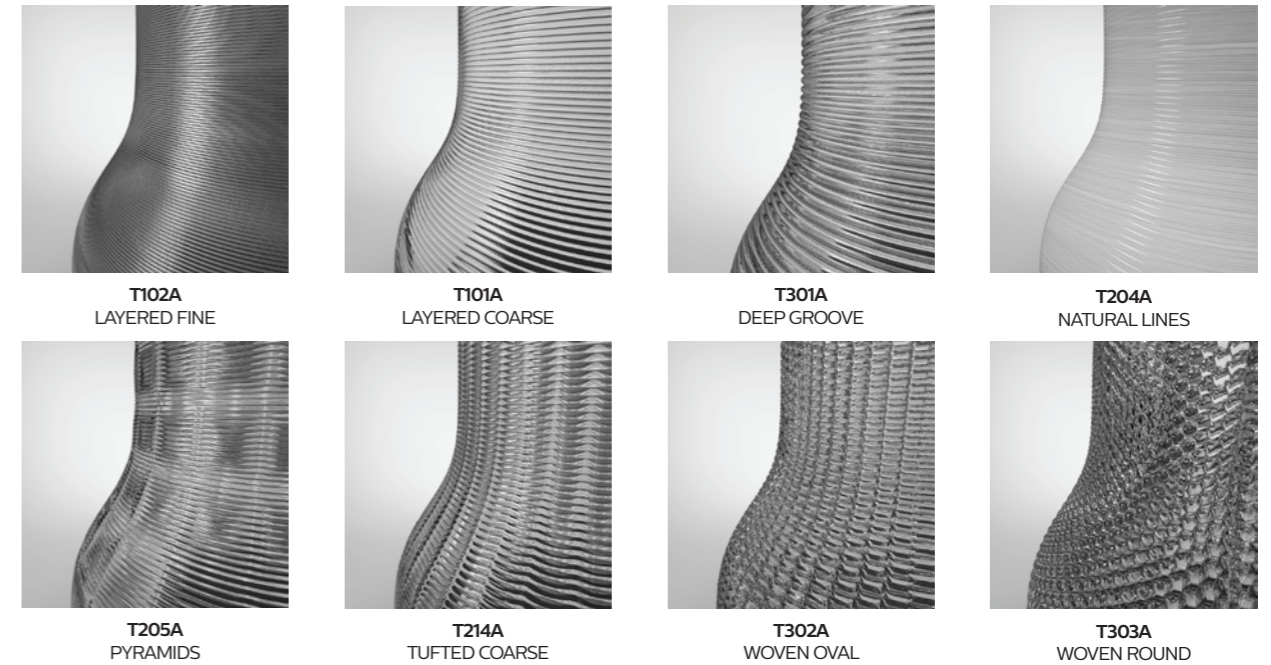

Vivid color series

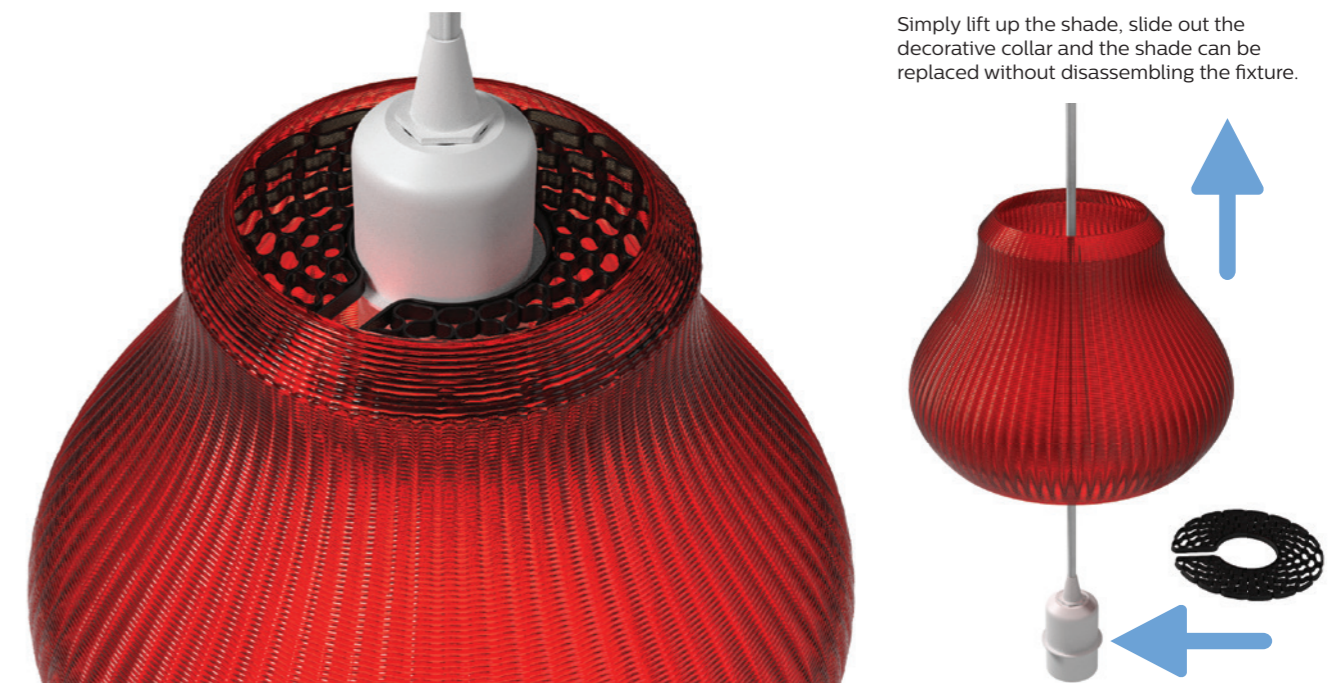

Creative textures

Digital manufacturing builds textures into the shades, creating woven, beaded, tufted or machine-turned finishes

Quick exchange shades

Easily change out your decorative shades to refresh your style concept or to match seasonal promotions, without changing the whole fixture.
