XVENTUREGEAR

RECOVERY BAGS, STORAGE ROLLS & HARD CASES

Protect your valuable tools and gear from dust, dirt, moisture, scratches and general abuse.

MADE IN
NORTH AMERICA

- Water-resistant black waxed reinforced canvas exterior for a lifetime of wear and tear and moisture protection
- 1000 denier red Cordura® interior nylon for extreme durability and protection
- Industrial webbing / handles ensures support for additional capacity
- Heavy duty YKK zippers with paracord pulls for easy access for opening and closing
- Made in North America
- Limited Lifetime Warranty

- Patented Latches - Finger safe flex latches. Rubberized Handles - Softer grip for added comfort.
- Automatic Air Valve - Automatic air pressure release valves make our cases airline friendly and ready for any mountain adventure.
- IP67 Dust & Water Proof - A rubber gasket provides an air tight seal.
- Lockable - Add your own locks for security.
- Steel Pin Hinge - Steel adds strength and dependability.
- Stackable - Exterior grooves for additional cases to snap into place.
- Available quick release mount, sold separately, is 4-Core compatible (drilling required)
- MOLLE / Gear plate sold separately

MADE IN
USA
