'Meet the Team'

Each month, we will introduce you to a member of the SEP team. This month we introduce...

Name: Jim Blackstock

Job role: Senior Project Manager South

Brief description: My area of responsibility is the South South region - my day to day most often revolves around managing the Goodwood Contract, however I am also involved with a number of other larger southern projects. I work closely with Rob Barrett, Tom Sturmey and Pen wills in the overall management of the South as well as being involved with projects relating to the overall business.

How long have you been with SEP: I've been with SEP on and off since 2013 - where I started as a 17 year old at V Festival.

Favourite food: My current obsession is finding high quality middle eastern foods - AKA Kebabs.

Favourite song/artist: The Verve - Bittersweet Symphony

Interesting fact: I love to Ski and explore mountains. Last year I spent 10 weeks out in Canada learning to be a Ski instructor, which was an absolutely amazing experience.
