

A NEW GENERATION OF SURFACES
WITH 3D PRINTING TECHNOLOGY AND FULL-BODY
VEINING DESIGN THAT REDEFINES
INDUSTRY STANDARDS

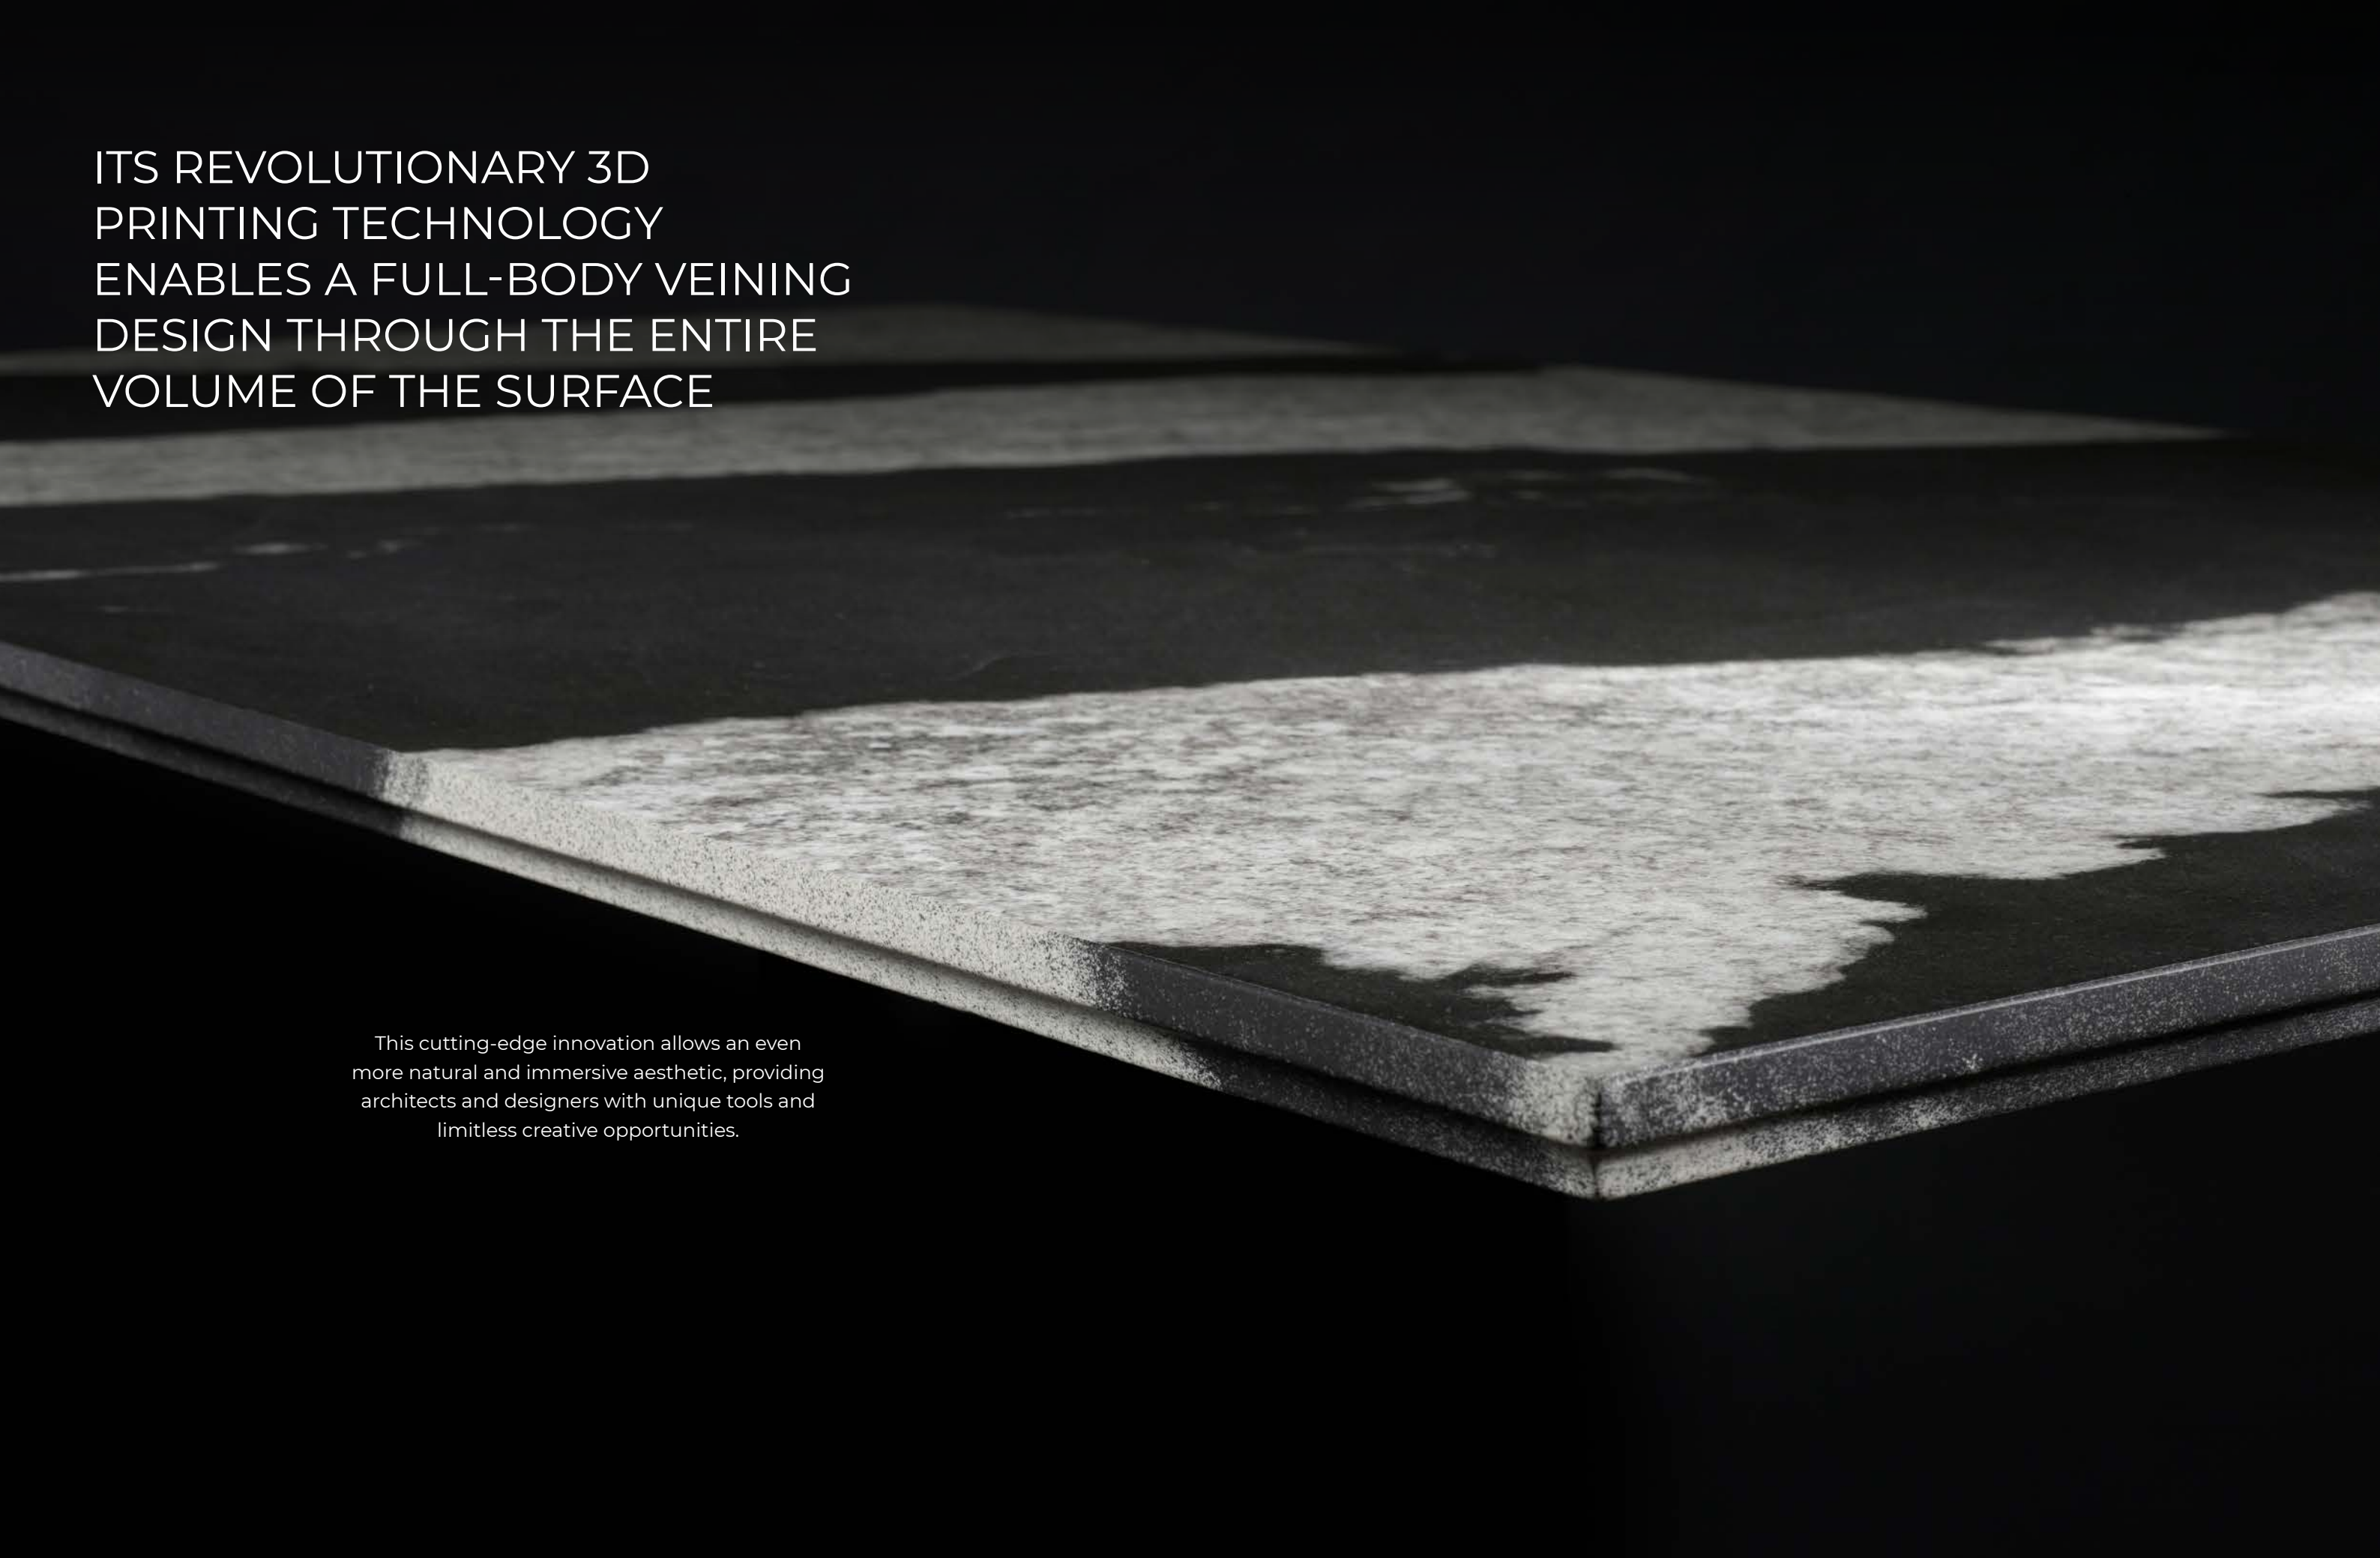

UNPRECEDENTED REALISM

NEOLITH
ICONIC DESIGN

ITS REVOLUTIONARY 3D
PRINTING TECHNOLOGY
ENABLES A FULL-BODY VEINING
DESIGN THROUGH THE ENTIRE
VOLUME OF THE SURFACE

This cutting-edge innovation allows an even
more natural and immersive aesthetic, providing
architects and designers with unique tools and
limitless creative opportunities.

CREATED PARTICLE BY PARTICLE

Discover a new generation of surfaces where every particle matters and every detail endures. Created with an unprecedented level of realism, Neolith Iconic Design represents the aesthetic and technical perfection the industry has been looking for, for years. A true revolution that sets a new benchmark with a design that flows throughout the entire body of the surface, thanks to **Neolith Iconic Design's 3D technology and full-body veining.**

Designed to bring to life the most striking spaces by combining technology, design, and art.

WELCOME TO THE FUTURE,
WELCOME TO NEOLITH ICONIC DESIGN

NEOLITH ICONIC DESIGN IS A NEW GENERATION OF
SINTERED STONE SURFACES. AN AESTHETIC AND
TECHNICAL REVOLUTION CREATED PARTICLE BY PARTICLE,
ALLOWING AN UNPRECEDENTED LEVEL OF REALISM.
EVERY VEIN AND EVERY TEXTURE FLOWS CONTINUOUSLY
THROUGHOUT ITS FULL BODY, CREATING SURFACES THAT
IMPACT FROM THE INSIDE AND THE OUTSIDE.

INSPIRED BY NATURE AND PERFECTED BY TECHNOLOGY,
NEOLITH ICONIC DESIGN REDEFINES THE PRINCIPLES
OF EXCELLENCE IN SURFACE DESIGN, REPLICATING THE
FORMATION PROCESS OF NATURAL STONE, AS IF IT
WAS CRAFTED BY NATURE ITSELF.

A UNIQUE PROPOSAL TO BRING TO LIFE
THE MOST SOPHISTICATED KITCHENS.

VICTORIA

Slate Finish
Only available in 20mm

NEOLITH
ICONIC DESIGN

NEOLITH VICTORIA IS INSPIRED BY THE STRENGTH AND ELEGANCE OF AN EXCLUSIVE BRAZILIAN GRANITE, REINTERPRETED WITH A NEW DIMENSION OF REALISM AND DETAIL THANKS TO THE TECHNOLOGICAL INNOVATION OF NEOLITH ICONIC DESIGN. ITS DARK BACKGROUND CONTRASTS WITH THE VISUAL DEPTH AND INTENSE WHITENESS OF ITS VEINS, WHICH RUN THROUGH THE ENTIRE SURFACE, REVEALING AN UNPARALLELED AUTHENTICITY THANKS TO THE **3D PRINTING TECHNOLOGY AND FULL-BODY VEINING FROM NEOLITH ICONIC DESIGN.**

A MAJESTIC AESTHETIC THAT EMERGES
FROM THE INSIDE

UNCOMPROMISING LUXURY

This model embodies contemporary luxury with an impressive and refined aesthetic, designed for environments that require character, contrast, distinction, and high technical performance. Available in a 20 mm thickness and a Slate finish, Neolith Victoria creates a suggestive illusion of layers on the surface, providing a sense of depth and strength that enhances its sculptural identity.

INSPIRED BY ONE OF THE MOST NOBLE CLASSIC MARBLES
IN HISTORY, NEOLITH EL ESTATUARIO REPRODUCES THE SERENE
AND SOPHISTICATED BEAUTY OF VEINED WHITE MARBLE.
ITS LUMINOUS SURFACE AND SOFT GRAY VEINS EXTEND
HARMONIOUSLY THROUGHOUT THE ENTIRE THICKNESS
OF THE SURFACE, THANKS TO NEOLITH ICONIC DESIGN'S EXCLUSIVE
3D TECHNOLOGY AND FULL-BODY VEINING.

NEOLITH
ICONIC DESIGN

EL ESTATUARIO

Silk Finish
Only available in 20mm

ELEGANCE
WITH IDENTITY

Neolith El Estuario captures the timeless essence of marble, making it an ideal choice for those seeking sophistication and aesthetic purity at their finest. It comes in a 20 mm thickness and a Silk finish, a silky matte finish with a subtle shine and softness to the touch that enhances the elegance of the design. This finish provides a refined texture that elevates the beauty of the surface, evoking the essence of nature in its purest form.

THE MAJESTY OF MARBLE
REINTERPRETED WITH PRECISION
