Enclosure
FINAL REPORT RELATIVE TO PROPOSED AMENDMENT OF ADMINISTRATIVE RULES GOVERNING ATHLETIC TRAINERS; GENERAL, LICENSURE AND PRACTICE

(La. Rev. Stat. §49:968(D))

By The

LOUISIANA STATE
BOARD OF MEDICAL EXAMINERS

Submitted To The

COMMITTEE ON HEALTH AND WELFARE,
LOUISIANA SENATE,

COMMITTEE ON HEALTH AND WELFARE,
LOUISIANA HOUSE OF REPRESENTATIVES,

PRESIDENT OF THE SENATE

And

SPEAKER OF THE HOUSE OF REPRESENTATIVES

June 1, 2017
This Report is respectfully submitted by the Louisiana State Board of Medical Examiners (the “Board”), within the Department of Health and Hospitals, pursuant to La. Rev. Stat. §49:968(D).

By Notice of Intent published in the March 20, 2016, edition of the Louisiana Register, Vol. 43, No. 3, pp. 586-595, the Board proposed to amend its administrative rules governing athletic trainers (“ATs”), LAC Title 46:XLV, Subpart 1 (General), Chapter 1, Subpart 2 (Licensure and Certification), Chapter 31, and Subpart 3 (Practice), Chapter 57. Concurrently with submission of the Notice of Intent to the Register, in accordance with La. Rev. Stat. §40:968, the Board submitted a Report on the proposed amendments to the Senate and House Committees on Health and Welfare, the President of the Senate and the Speaker of the House of Representatives. Following publication of Notice of Intent the Board did not receive a request for public hearing; however, during the comment period it did receive written comments from one (1) individual on the proposed amendments voicing particular concerns or suggestions.

This Report, submitted by the Board pursuant to and as prescribed by La. Rev. Stat. §49:968(D), sets forth a summary of the comments received by the Board on the subject amendments, and a statement of the Board's response to each comment, including a concise statement of the principal reasons for and against adoption of any modifications or changes. A copy of the Notice of Intent containing the full text of the proposed rules that were previously published and appeared in the March 2017 edition of the Louisiana Register accompanies this Report as Appendix A, in the form of the final rules adopted by the Board and which are to be promulgated by and upon publication in the July 2017, edition of the Louisiana Register.

---

I. Background—The proposed amendments to the Board's Rules govern regulations relative to general, licensure, certification and practice of athletic trainers, LAC 46:XLV Chapters 1, 31 and 57 to conform them to Act 418 of the 2014 Regular Session of the Louisiana Legislature, which amended the Louisiana Athletic Trainers Practice Act, La. Rev. Stat. §37:3301 et seq., and to update the rules generally as made necessary by the passage of time and current practices.

II. Summary of Proposed Rules—Among other items the proposed amendments: convert practice authority from a certification to a license; revise various definitions for consistency with the law; update the educational requirements for licensure eligibility; reduce to a simple majority e.g., 4 of the 7 members of its advisory committee, necessary for a quorum of the committee; provide for licensure by reciprocity for those possessing the requirements prescribed for Louisiana applicants; repeal various provisions that are no longer applicable; update designation of the examination entity from the National Athletic Trainers Association to the Board of Certification for the Athletic Trainer (BOC); maintain but simplify seldom used temporary permits and remove the associated fee; and streamline provisions relative to continuing education (CE) programs. Currently, athletic trainers must earn and report 24 credit hours of CE every two years. The proposed amendments would require athletic trainers to earn and report with their annual renewal application 12 hours of CE. The proposed changes also: update exemptions from licensure to provide for assistant coaches administering and supervising their normal sports activities and students enrolled in an accredited training program; provide for compliance with the code of ethics of the BOC; and incorporate the causes prescribed by law for which the Board may refuse to issue, or take action against, a license.
III. Summary of the Comments and Board Response—As noted above, the Board received written comments from one (1) commenter to the Notice of Intent that appeared in the March 2017 edition of the Register. Summaries of the comments, as well as the Board’s responses to each, are set forth below.

Comment 1. §3104.B.1.c.—Athletic Training Advisory Committee. The commenter suggests balancing the Board’s athletic trainer advisory committee membership not only geographically but by sex and race of either current licensees or Louisiana citizens.

Response: Given that service on the athletic training advisory committee is voluntary, the Board is not in a position to designate particular candidates, dictate who will volunteer, or balance the appointments to the committee as suggested. Because under either the existing or proposed rule amendments the selection process is limited to those nominees/volunteers available for appointment, the Board does not believe the suggested change is appropriate.

Comment 2. §3159—Application for renewal of license. Noting that the law (Act 418) and proposed amendments require successful passage of the BOC certification examination as a prerequisite to AT licensure, the commenter suggests that the rules also require affirmation of continued BOC certification on all renewal paperwork for ATs, excepting only those ATs who were grandfathered under Act 418 changes to the law.

Response: Among the qualifications for an AT license, the law requires certification that the applicant has passed the BOC certification examination. An exception is provided for ATs already licensed by the Board, who had not passed the BOC certification examination at the time Act 418 became law, provided these individuals submitted a renewal application and paid the applicable renewal fee to the Board within one year of the effective date of Act 418.3 In conformity with the law, the proposed amendments require certification by the BOC evidencing that the applicant has passed the BOC certification examination as a requirement for licensure.

3La. Rev. Stat. §37:3306.1B.
This change is incorporated into the proposed amendments for all applicants, except those excepted by La. Rev. Stat. §37:3306.1B. However, the law does not require continued certification by the BOC as a condition to AT licensure renewal, as the commenter would have the rules apply. Requiring that an individual seeking renewal of his or her AT license demonstrate (or affirm) continuing BOC certification imposes an additional condition which is not required by the law or consistent with the exception granted to those who were grandfathered into continued practice under the changes to the law. Accordingly, the Board does not believe the proposed suggestion is appropriate.

Comment 3. §5709B. Unauthorized Practices. Finally, the commenter suggests removing the phrase “for compensation or other remuneration” from §5709 for fear that an individual could practice as an AT without a license, provided he or she does not identify him/herself as an athletic trainer (prohibited by §5709A) or receive any form of payment or remuneration e.g., compensation or remuneration (prohibited by §5709B) for the services provided.

Response: First, the only proposed changes to §5709B relate to Act 418’s conversion of ATs from being “certified” to “licensed” (La. Rev. Stat. §37:3305.1). Second, the phrase subject to the commenter’s comment has been in the current rule for many years and is not being altered by the proposed amendments. Further, in its recent institutional history the Board does not recall any instance where an individual performed in a manner described by the commenter e.g., performed services of an AT but did not identify him/herself as an AT and received no compensation or other remuneration. More importantly, the law, which supersedes the rules, prohibits anyone who is not licensed by the Board from performing the activities of AT (La. Rev. Stat. §37:3305.1). Thus, even in the event an individual should perform in a manner described by the commenter, the Board would have jurisdiction to intervene. For these reasons, the Board does not believe the proposed suggestion is necessary.

FISCAL AND ECONOMIC IMPACT STATEMENT
FOR ADMINISTRATIVE RULES

RULE TITLE: Supervision of Psychologists and Licensed Specialists in School Psychology

I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENT UNITS (Summary)

Other than the publication fee associated with the proposed rule changes, which are estimated to cost the LA Board of Examiners of Psychologists $500 in FY 17, it is not anticipated that state or local governmental units will incur any other costs or savings as a result of promulgation of the proposed rule. The proposed rule clarifies that, for individuals applying for a license as a Licensed Psychologist, postdoctoral supervision hours can accrue after all doctoral degree requirements are met. The proposed rule also clarifies that the supervision obtained in an internship may be applied toward the required three years of supervised experience needed to obtain a Licensed Specialist in School Psychology license.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

The proposed rule change will not affect state or local governmental revenue collections.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS OR NONGOVERNMENTAL GROUPS (Summary)

This rule benefits those applying for a license as a Licensed Psychologist in that it allows postdoctoral supervision hours to accrue after doctoral degree requirements are met, but before the doctoral degree is conferred. This rule also benefits those applying for a license as a Licensed Specialist in School Psychology in that it allows for experience gained under a supervised internship to be applied toward the experience needed to obtain the license.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

The proposed rule change does not affect competition and/or employment.

FISCAL AND ECONOMIC IMPACT STATEMENT
FOR ADMINISTRATIVE RULES
RULE TITLE: Athletic Trainers General, Licensure and Practice

I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENT UNITS (Summary)
Other than the publication fee associated with the proposed rule changes, which are estimated to cost the LA State Board of Medical Examiners $2,804, it is not anticipated that state or local governmental units will incur any other costs or savings as a result of promulgation of the proposed rule. The proposed rule change amends the Louisiana State Board of Medical Examiners athletic training rules to conform to Act 418 of the 2014 Regular Session of the Louisiana Legislature and to update the rules to conform to current practices. The proposed amendments implement the following: convert the authority to practice from a certification to a license; revise various definitions; update the educational requirements for licensure eligibility for consistency with the law; reduce to a simple majority e.g., 4 of the 7 members of its advisory committee necessary for a quorum; provide for licensure by reciprocity for those possessing the requirements prescribed for Louisiana applicants; repeal various provisions that are no longer applicable; update the designation of the examination entity from the National Athletic Trainers Association to the Board of Certification (BOC); simplify the seldom used provisions on temporary permits and remove the associated fee; streamline provisions relative to continuing education, and provide for BOC approved continuing education (CE) programs.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)
This amendment removes fees associated with the issuance of temporary permits. However, it is not anticipated that removal of this fee will have an impact on revenue collections of the board, given that in recent years, no temporary permits have been issued.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS OR NONGOVERNMENTAL GROUPS (Summary)
This proposed rule change removes the CE requirement for athletic trainers from 24 hours in a 2-year period to 12 hours per year. The aggregate license cost to trainers over a 2-year period remains the same. Therefore, the proposed rule change is not anticipated to result in costs and/or economic benefits to any person or non-governmental groups.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)
The proposed rule change does not affect competition and/or employment.
