and also review the Louisiana Hospital License.

Hospital regulations concerning the RT's within their facilities recommend that all persons reviewed be licensed professionals. The RT's (4) and RT's (5) are identified in a primary function capacity. Any person not licensed as a respiratory therapist performing (PFT), while the practice acts not affect all personnel in facility is not allowed to perform PFT. A request for the RCC was made to look at the scope of practice for the RCC.
