Go All In...And Get Involved!

We are delighted to present this partnership proposal on behalf of Calibre Audio as we celebrate the National Year of Reading - a landmark moment to champion the life-changing power of books. The National Year of Reading 2026 is the biggest campaign in a generation designed to help more people (re)discover the joy of reading and make it part of their everyday lives. Together, we have an extraordinary opportunity to make reading truly accessible to all, including people who are blind, partially sighted, or living with conditions that make them unable to read print. Our Gold, Silver and Bronze partnership packages offer meaningful, high-profile ways for your business to align with a trusted charity, support inspiring events, and demonstrate a genuine commitment to inclusion, literacy, and community impact. By partnering with Calibre Audio, you won't just be sponsoring events - you'll be opening stories, unlocking opportunities, and helping thousands of people experience the joy and connection that reading brings.
