

AgXperience-Biofuels

WHAT IS THE AGXPERIENCE

- An immersive learning opportunity designed to help students explore the role of biofuels and renewable energy in agriculture, energy innovation and the broader economy while gaining a deeper understanding of the industry in real-world settings.
- In this session, you'll engage directly with students in small-group roundtable discussions focused on your work in biofuels and renewable energy.
- We will rotate students so they can have multiple conversations

PURPOSE & EXPECTATIONS FOR YOUR ROLE

- Sharing your professional journey and current role in biofuels, renewable energy or a related field
- Providing real-world context on biofuel production, renewable energy policy, sustainability, market demand and current events impacting the sector within agriculture.
- Encouraging open dialogue and student questions about innovation, challenges and opportunities in renewable fuels
- Helping students connect their interests to potential careers in biofuels, renewable energy, agriculture, policy and sustainability

SESSION LOGISTICS

- Please arrive 15 minutes before session start time.
- Specific time will be listed in the email.
- Audience: College Freshman-Seniors, ranging from all backgrounds.
- Room Set: Set in roundtables of 8
