FINAL COMMUNICATION FROM AFA

AFA will send your team a final communication listing information around how to access the final schedule for your team, speaker resources, Resume Directory, and other helpful tools.

CANCELLATION POLICY

As an engagement and funding partner of AFA, we value your support. For 30 years, partners have invested their dollars in our nonprofit programming to help guide the next generation of agriculture and food leaders. Because we are committed to being good stewards of those dollars, we are continuing our cancellation policy to help direct that funding toward growing the number of students we serve each year.

Our goal for this policy is to work with our partners in establishing deadlines when confirming/making changes regarding your teams' engagement. With the rise of costs associated with in the hospitality industry (AV, caterings, lodging, etc.) this policy will help mitigate the financial risks AFA is liable for regarding cancellations that fall outside the calendar parameters set by third party vendors.

As one of our main contacts for partnership, please help us in making sure this policy is communicated to your team members planning to attend the AFA Leader Institutes.

Adjustments or cancellations to your registration must be made through lillian.chapman@agfuture.org by June 22.

June 15:

- Deadline to register/confirm participation at the AFA Leader Institute – this includes speaker roles.

June 22:

- Meals: Last day to cancel team member and receive reimbursement on any meals purchased outside of the complimentary meals provided through the partnership. If a team member cancels after this date, partner will be liable for cost of the meal already purchased.
- Speakers: Last day to cancel team member and replace with another teammate. If a team member is unable to participate in the program following this date - no other team member from your company will be able to participate/replace that individual unless specified by an AFA team member.

AGENDA

Below you will find areas of engagement your team is invited to participate in. Reminder, your team must be registered for Plant Science Institute by June 15th. You have until June 22nd. to make any changes (additions or subtractions) to your registration by sending an email to lillian.chapman@agfuture.org.

Please use the form below to keep track of which team members are registered for each activity.
