

AFA LEADERS CONFERENCE

NOV. 10-13, 2022
KANSAS CITY, MISSOURI

Find Your Place in the Future of Agriculture

AFA Leaders Conference is your bridge between college and career. Find your place in the endless opportunities of agriculture at an event that meets you where you're at in your collegiate career.

"Through networking, professional development, personal growth and agricultural discussions, I was able to head home with more skills and an enhanced passion for the agricultural industry. It was awesome to share this experience with about 750 other students."

Isaac Brockman

Sessions you need. Speakers you love.

AFA Leaders Conference's four-track program offers you development opportunities based on where you are in our collegiate experience.

Jill Brown | Track 1 **Professional Etiquette in Dining**

This session is designed for first-year college students to experience a formal dining setting with professional guidance from an etiquette dining expert. Delegates will learn how to properly engage in conversation and formal place setting to better prepare for future professional meals and events.

Jan Hargrave | Track 2 **Actions Speak Louder Than Words**

A majority of the message you give is portrayed through body language. Watch and listen to find new ways to speak with your actions and spark up your communications using your non-verbal skills. You will gain a better understanding of how your actions affect your non-verbal communication.

Adam Carroll | Track 3 **Master of Money for Students**

The knowledge and ability to make, manage, save and invest money is critical to overall success in life. The earlier you start on the path to understanding money, the faster you'll experience your own version of success. This session will cover important aspects about fiscal responsibility to assure students set themselves up for future financial success.

AFA Alumni | Track 4 **Transition to Work**

This session is designed for Track 4 delegates to converse with upper-level human resources professionals from a cross-session of agricultural organizations and universities to learn how to manage their transition into the workplace or graduate school. Through frank and vulnerable conversation, delegates will gain insight around common mistakes new employees make in the workplace or graduate school.

Early bird applications due August 24.
Applications close Sept. 7.
