

# USE YOUR POWER WISELY

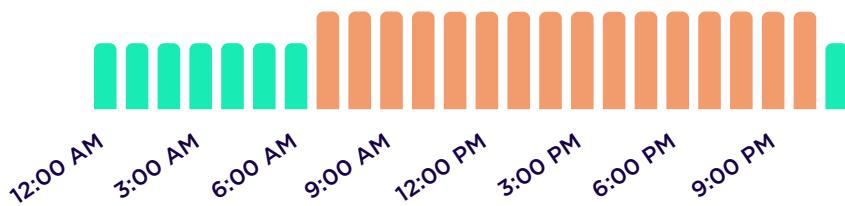

Electricity is cheapest at night which is why it's coloured green on this time of use chart. Use the chart to work out the best times to switch off and on your appliances.

● Peak   ● Off-peak   ● Night

## Monday to Friday

## Saturday & Sunday

### Weekdays

- 7am-11am / 5pm-9pm
- 11am-5pm / 9pm-11pm
- 11pm-7am

### Weekends

- 7am-11pm
- 11pm-7am
